
NOW THAT OUR ANnual progress edition is past history, we can sort of settle down to the mundane routine of the operation at our joint.

That really is not the proper thing to say.

Somehow "mundane" does not seem the right way to describe the every day operation at The Press.

There is always something going on.

And we are usually in and out of hot water most of the time.

That makes it sort of interesting, in a way.

That is if one likes hot water.

The Press staff gratefully acknowledges the compliments that have been received for this year's effort. We were sort of proud of it, too.

We appreciate also the tremendous cooperation that was received from the department heads of the city who sort of reviewed the progress that the City of Campbell has made in its 20 years of existence.

A number of you wondered how come the planning department of the city was not represented.

That's a good question.

And an explanation seems to be in order.

-0-

TO BEGIN WITH, THE City of Campbell is fortunate, in our opinion, in having a top notch planning director in the person of Art Kee at the helm.

In addition, he has a capable staff that functions efficiently.

For example, there is probably no one at the city hall, with the exception of City Clerk Dorothy Trevethan, more qualified than Evelyn Adamson to give a fill-in on the background of the city.

Evelyn was one of the first employees of the city and she is steeped in the planning lore of this city.

But in this year's progress edition, "planning" per se was stressed.

We had a reason for this.

Y'see, the attempt was to sort of review the accomplishments of the city during the past 20 years and really we did not try to pinpoint what the future had in store for this municipality.

And that's where "planning" really comes in.

In addition, almost every department in the city has been involved to some degree with the planning department during the past 20 years.

We recognize the important role that the planning department plays in this city's government.

And we weren't slighting the department in the 1972 progress edition.

You just had to read between the lines in all the reviews.

Planning was there.

And, believe us, it had better be there during the next 20 years also, if the city is to move ahead.

-0-

NO MATTER HOW CAREful we are at our office, errors do occur in the products that are turned out, either in the newspaper or in commercial printing jobs.

In the newspaper when errors are spotted, it is generally too late to do anything about it but shudder. But in most commercial printing jobs corrections can be made.

In most cases, of course, it generally means redoing the job without going into detail as to who was responsible for the mistake.

Like this past week.

The back shop turned out the statements of the City Council candidates that are to go with the sample ballots for the April 11 election.

There are four candidates for the three seats that are open, Bill Smeed and Dean Chamberlin, incumbents and Norman Paul and Rusty Hammer, challengers. There were

The Campbell Press

Serving
the Hub of the West Valley
Since 1895

Vol. 80 No. 11 Wednesday, March 15, 1972 10¢

378-9136 35 Dillon Avenue, Campbell, California

EARLY ENTRIES---Posed at the City Hall are the first entries for the first annual Easter Parade queen contest. In addition to the nine girls pictured (not in order), Lupe Austin, Lori Rinaldo, Kathy Arnold, Kathy Cantwell, Jeane Wianco, Paulette Bua, Sheree Miller, Denis Lander and Beth Berkendahl, others are expected before the entry deadline of midnight Wednesday (March 15).

According to Bette Stewart, beauty pageant chairman (378-3571), pre-judging will be held on Thursday, March 16, and final judging will take place at the San Tomas Plaza Center (San Tomas Road at Campbell Ave.) on Saturday, March 18, when the queen for the first annual Easter Parade on Saturday, April 1, will be chosen.

Vision clinic takes place this Sunday

Sponsored by the Campbell JayCees, the fifth annual Vision Screening Clinic conducted by professional optometrists will be held this Sunday, March 19, from 10 a.m. to 3 p.m. at Rosemary School, 401 W. Hamilton Ave.

The purpose of the clinic is to provide a free vision check of children between the ages of four and six, as it has been pointed out that early vision defects can be detected and corrected in that age group.

Bruce Townsend, JayCee chairman for the project, urges parents to bring their youngsters as early in the day as possible to avoid the longer wait that generally occurs when the afternoon crowds arrive.

The optometrists on duty will check for signs of amblyopia (the early stages of a disease of the optic nerve which can cause blindness, near and far sightedness, color blindness, and other problems.)

The clinic will be manned by JayCees and Jaycettes, assisted by members of the California Optometric Society, and there will be six steps in the screening process which will take about 20 minutes.

According to Townsend, every year parents who arrive after the clinic closes have been disappointed. He said that all children arriving before 3 p.m. will be checked but the clinic cannot handle any youngsters after that time.

ON MONDAY FOR SECOND TIME BY 3-2 VOTE

Amato plan gets City Council nod

It was a repeat performance on Monday night when the City Council by a split 3-2 vote gave first reading to the ordinance that would allow a single-family - town house development on the 31-acre Amato property.

It marked the second time in the four-month period that the site plan has been under official city glare, that the Council has taken such a step.

But most followers of the local drama seem to feel that when the Council voted on Monday, the final curtain was about ready to drop.

ON MARCH 27

The second reading (adoption) of the zone-change ordinance is scheduled for the next Council meeting, March 27. But it is expected that the vote then will merely be a repeat of Monday's line-up.

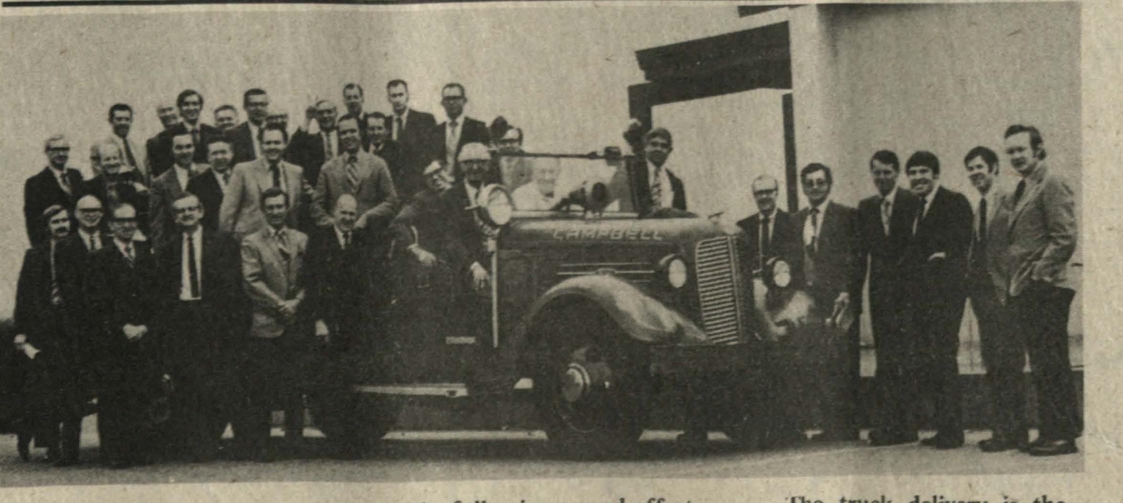
Since the site plan was first presented to the Planning Commission by Mike Engdol, of Dura Style Homes, in December, a number of changes in the original plan have been made.

It was basically because of the modifications that the Council on Monday was voting for the second time on the issue. By the same 3-2 margin the City Council on January 10 had given first reading to the original plan after the Planning Commission had given prior approval.

But the second reading was delayed for a review of the general plan by the Planning Commission and then on Feb. 14 by another 3-2 vote, the plan was sent back to the Planning Commission because of the changes that had been made in the original plan. The Commission then approved it by a 5-1 vote.

Voting for approval of the plan on Monday were Mayor Ralph Doetsch, Councilmen Bill Smeed and Dean Cham-

(Continued on Page 2)



LEAVING TODAY --- Campbell Rotary Club members pose with the 1939 pumper donated by the Campbell Fire Department to the small city of Madero, Mexico. Rotary president Myron Alexander and fellow Rotarian Al Smith, along with Mrs. Alexander and Jude Bartlett, City College student, embarked on the five-day journey to deliver the truck, following a send-off at Campbell City Hall.

Local Rotary clubs along the route will give sanctuary to the four as they "speed" along at 45 m.p.h. through central California, Arizona, New Mexico and Texas. The fire truck will be accompanied by a pick-up truck, which will be used to carry the travelers' personal gear.

The truck delivery is the result of considerable work on the part of local Rotarians, who have "adopted", along with the city's fire department, the Madero's fire department.

The 500-gallon pumper has been completely checked over by local mechanics and is expected to make the trip in good condition.

AT CAMPBELL AVE. AND WINCHESTER

Tree hides historic mission bell marker

Probably to the surprise of many Campbell residents, who pass by it daily and have never seen it, an historical mission bell marker of the type long familiar to those who travel El Camino Real throughout the state, has been located in Campbell on Winchester Blvd. for 60 years.

But Campbell's bell is almost completely hidden by the branches of the massive pine tree at Winchester and Campbell Avenues.

The bell markers designate the route traveled by the early California padres between their missions, a part of the historical lore of this state.

Campbell is in a unique historical position in this instance. The community is not located on El Camino Real.

But the bell marks the route that was used over the Santa Cruz mountains between the Santa Clara and Santa Cruz mountains. The designation on the sign reads: "Mission Santa Clara 5 mi./Santa Cruz 30 mi."

Records show that in 1962, when the El Camino Real Association made noises to remove the bell to a location on the new El Camino Real, it was determined that it was an historical landmark in its present location.

And it was revealed at the time that it was originally purchased by a church group in 1912.

Originally it stood across the street from its present location on the old high school property which was sold in 1940 when the new school opened.

And since 1940 it has been in its present location, virtually hidden from view.

"Out-on-the-limb" this week reports (and agrees with) the suggestion that has been made by those who know of its existence and historical significance, that the sign should be moved down the street to the Joseph V. Gomes Park where it could be visible.

AND WHAT WILL BE $$ RATE?

Board frowns on June 6 for new tax vote---maybe July 25

Another tax election in the Campbell Union (elementary) School District will probably be held on July 25 of this year, as the trustees last Thursday night frowned on combining the election with the primary on June 6.

Although it was indicated that another election would be held, board members made no commitment as to whether the voters would be asked to approve a raise or just the continuance of the present $2.55 rate. The rate reverts to $1.80 on June 30, 1972 as a result of the election on Tuesday, Feb. 29.

On that date, voters in the district by 5902 to 4863, rejected raising the rate by 50-cents from $2.55 to $3.05.

In a report to the trustees, the Citizens for Campbell Elementary Schools, the committee that worked for the passage of the 50-cent tax hike headed by Mrs. Jennie Vaughn, recommended that the district ask for the same raise in an election on July 25.

The report showed that the recommendation was made by a committee vote of 13 to 5 with "a few undecided."

At the meeting last Thursday, the board members took turns in emphasizing that they were not ready to make a decision without getting more "input" as far as the community was concerned as to the effect of the last election.

DEADLINE MAY 5

If the election was to be called for the June 6 primary, the board would have to call it by this Friday, March 17. The deadline for calling the July 25 election is May 5.

Dr. Richard MacQuiddy also submitted that experience has been bad when school elections are combined with regular elections.

He felt it was not a good policy to even try to set the election for June 6, even if the board was ready now to make a decision on the amount.

In the campaign committee's report to the board, nine

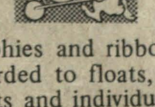
(Continued on Page 2)

Easter Parade

WANTED: a 1952 model car (preferably convertible) to be decorated and used in the first Annual Easter Parade on Saturday, April 1. Call either John Ruppel at the city hall (378-8141) or Vice-Mayor Bill Podgorsek (378-2855).

On Monday night, the City Council approved the entering of two decorated cars (one a 1952 and one a 1972) to mark the 20th anniversary of the City of Campbell. Surviving members of the first City Council in 1952 (Richard W. Morton, Dr. Frederick Snyder and J. M. Dahl) will be invited to ride in the 1952 model and the five present councilmen will be in the 1972 vehicle.

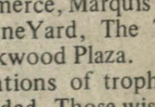
Podgorsek, who was named by the Council to coordinate the entry, expects no trouble in lining up a shining new car but as yet has not been able to locate a suitable '52 job. He is appealing for help.



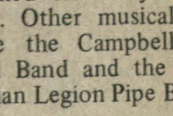
Trophies and ribbons will be awarded to floats, marching units and individuals taking part in the Easter Parade, Jeanette Watson, chairman of the trophy committee, reports.

The trophies are being donated by civic groups and merchants. Among the donors so far are, Rotary Club, Spartan Printing, Campbell Chamber of Commerce, Marquis Travel, the PruneYard, The Towers and Kirkwood Plaza.

Donations of trophies are still needed. Those wishing to contribute should call 374-2712.



Jim Payne, Sr., parade director, reports that the Sunnyvale High School Band, has confirmed its entry in the parade. Other musical units include the Campbell High School Band and the Royal Canadian Legion Pipe Band.



Deadline for all parade entries has been extended to Friday, March 17. The grand marshal for the first annual Easter Parade will be announced next week

Editorial

Time to listen

The Campbell Press commends the board of trustees of the Campbell Union (elementary) School District for not acting in haste last Thursday and calling for another tax election without first considering all the "input".

The Citizens for Campbell Elementary Schools, the committee that worked so hard for the 50-cent tax increase that was defeated at the polls on Feb. 29, had recommended that the trustees call another election for July 25, 1972 asking for the same increase (50-cents).

While we recognize that it would be difficult for this committee, which voted 3 to 5 for the recommendation, to have made any other recommendation in the face of the strenuous campaign that was conducted emphasizing that the 50-cent hike was necessary, The Campbell Press submits that more time is needed to analyze the situation.

We think the board of trustees was right in delaying action on the important question of what should be done.

We think the time has come to listen.

The point was made that nearly 5000 people (4863) favored the 50-cent tax increase on Feb. 29. Their feelings, it has been asserted, should not be overlooked.

It also should not be overlooked, however, that nearly 6000 people (5902) opposed the increase.

For the record, The Campbell Press unalterably opposes a 50-cent tax increase.

The Press is willing to concede, however, that the $1.80 tax rate, which will go into effect on June 30, 1972, because of the defeat at the polls on Feb. 29, is not adequate enough to operate the district.

So, we think it is time to listen.

There is a desperate need at this time for re-establishing the credibility of the school district administration.

The people have every right to know what the MINIMUM amount is necessary to continue the desired educational program.

All of us, individuals or businesses, have found it necessary to pull in our belts economically speaking, to meet the problems of recession or whatever this period is called. The school district should not be immune from that fact of life.

However, no one, whether he is a senior citizen or a newspaper editor, wants to curtail any educational program, provided that it can be established that it is essential and serving the needs of the youngsters.

Sacrifices on the part of all of us even may be necessary at times in order to maintain the educational standard that has been set.

But all of us must have confidence that the information and the facts and figures that are presented are beyond question.

There should be no doubts in our minds.

Unfortunately there are many concerned people in the district who feel that a credibility weakness exists.

Until that situation is resolved, it will be difficult, if not impossible, to gain the unity that is necessary to go forward in the district.

Therefore, we maintain that now is the time to listen.

The Press reiterates that because of this credibility gap, under no circumstances can we support a 50-cent increase.

A news story this past week in a San Jose daily reported that the Santa Clara Unified School District was dropping 77 teachers because of declining enrollment.

So the Campbell school district is not alone in this tightening-of-the-belt condition that exists.

We believe it would be the height of folly for the trustees of the Campbell Union (elementary) School District to call a repeat election for the same tax increase that was asked for on Feb. 29 without listening a wee bit more to the echo from that vote.

We concede that there were a number of factors involved in the Feb. 29 vote that may have caused the tax hike defeat other than purely economical ones.

We are willing to take the blame for some of the impact that may have swayed a vote or two.

But in no way does that mitigate the circumstances surrounding the entire situation.

There were too many unanswered questions. For example, we submitted that the 3% estimated increase in assessed valuation was too low.

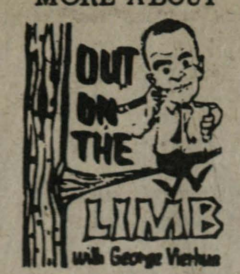
And we maintained that the district was committed to use the full 50-cent tax increase, even if the assessed valuation went up far above the 3%.

We felt that there should be a stipulation that should there be more income in the district than anticipated, only that portion of the tax increase that was necessary would be used.

We again repeat.

It is time to listen.

MORE ABOUT



(Continued from Page 1)

two mistakes:

An "l" instead of an "n" somehow was added to Norm's name, making it "Normal".

Of course, Norm may be normal and all that. But that's not the way it should have been.

All the candidates had listed their ages in the statements they had turned in except Rusty.

The back shop thought it was an oversight on Rusty's part.

So his age of 18 was added to his statement. But it turned out it wasn't an oversight.

So the back shop redid the job.

Normal became Norman.

And Rusty has no age listed.

-0-

BEING HALF-IRISH, ST. Patrick's Day on March 17 has always been noticed by us in one way or another.

We generally sport a green tie, for example, or mark the day in some other way.

And to remind us of the day, as long as we have been in this area, we have received a St. Patrick's Day card from George Reilly, long-time member of the State Board of Equalization, although we have never met George personally.

There is always a little green ribbon attached to the card and a message in green ink.

This year's message: "Not just on each St. Patrick's Day/ But every day between/May you have all the luck that goes/With wearing o' the green!"

And the top of the morning to you, too, Mr. Reilly.

-0-

ALTHOUGH WINCHESter Blvd. is not ordinarily considered today as part of the "king's highway" that was traveled by the Spanish priests when they were building their missions, there is one of the famous bells on that street right in Campbell.

It is located on the grounds of West Valley College (formerly Campbell Grammar School) at the intersection of Winchester and Campbell.

But it is hidden by the trees at that spot and very few people probably know of its existence.

It's in the same spot with the signs of some of the service clubs that are much the worse for wear.

The so-called mission bells on the highway are widely known throughout the state.

Because of the historical significance associated with the bell, most communities take pride in having such a marker in their area.

We have a hunch Campbell people would like to point their bell out, too.

That is, if they could see it.

Or even knew it was there.

-0-

THOSE WHO ARE knowledgeable of early California history and know of the bell's existence in town, have suggested that the bell should be moved to a more prominent spot on Winchester where it can be seen more easily.

They have suggested that the Joseph V. Gomes Park at Winchester and Alice would be a good spot.

We agree.

But we haven't the slightest idea what agency would be responsible for the relocation action.

However, we don't think that should be too complicated.

It seems to us that either the college board or the city council could authorize its removal and that would be all that was necessary.

But maybe that's too simple.

-0-

OUR RESEARCH INCIdentally reveals that the bell has been in Campbell for 60 years and that it has been at its present location since 1940.

From 1912 to 1940 it stood on the old high school grounds until that property was sold in 1940.

It was originally put in place to mark the way that was used over the mountains between the Santa Clara and Santa Cruz missions.

It is a legitimate marker and definitely has a historical significance for this community.

In fact in 1960, when El Camino Real Association by letter requested that the board of trustees relinquish the bell so the association could move it to a location on El Camino Real, it was determined then that "it is an historic landmark at its present location."

And that was that.

-0-

A DETERMINING FACtor at that time was that a letter to the school board from the Pundita Club (formerly the Pundita Circle) informing that body that the bell had been purchased by Pundita Circle for $30.30 back in 1912.

As a history buff, we think the idea of moving the bell of CampBELL to the Joseph V. Gomes Park where it can be seen, has merit.

We also think those who aren't history buffs, might like the idea, too.

MORE ABOUT Council

(Continued from Page 1)

berlin. Opposing were Councilmen Bill Podgorsek and Ed Rogers.

KEE REVIEWS

In a review of the situation on Monday night, Art Kee, planning director, pointed out the changes that had been made from the original proposal.

He noted that the single-family lots had been increased from 5700 square feet to 6000 and that the total dwelling units had been reduced from 233 to 217. The density had been reduced also from 7.5 per acre to 7.0 and the single-family units had been increased from 47 to 52, and the town houses reduced from 185 to 165. Single-family lots had also been added fronting on Latimer and the easterly side of Hunt Court.

Present at the meeting on Monday were residents in the adjacent areas who have objected from the beginning to any development for the 31-acre parcel other than single-family homes.

OBJECTORS

However, Bob Sneed, of 241 Victor, the main spokesman for the residents during the long-drawn out affair, in his final summary submitted that the residents would not have opposed a small portion of the property developed for duplexes.

Engdol, in his rebuttal, was quick to point out that Sneed's suggestion was the first time any concession had been made by the residential group during the "negotiations".

Sneed, in his summation, maintained that there had been no substantial changes made in the original plan. He listed some basic reasons for the opposition: the town house concept was undesirable for the area; the plans call for less single-family units than directed in the general plan; Campbell already has too many multi-unit developments; and too little off-street parking.

Also taking the mike to reiterate their objections were Frank Klein, 172 Branbury; Harry Lewis, 850 Springfield; Don Armstrong, 66 S. Christopher; and Mrs. Constance Howell, of 1261 Loreli Court.

SCOTT vs ROGERS

Dale Scott, chairman of the Planning Commission, also took the microphone to explain some of the reasoning behind the planners' approval action.

However, Councilman Rogers took issue with Scott and charged that Scott was out-of-line in making the appearance. Rogers said that it was unnecessary for a planning commissioner to appear, as their actions were duly recorded. He said Scott should not be making an appeal for the developer in this case. Mayor Doetsch sided with Rogers.

Later, however, Chamberlin took issue with both Rogers and Doetsch for that attitude. Chamberlin said there was nothing wrong in Scott's presentation. The other two councilmen, Smeed and Podgorsek, did not venture an opinion.

DISCUSSION

During the discussion by the councilmen, Rogers maintained that the Council should recognize the 1600 Campbell residents who by petition, had protested the development. He added that, in his opinion, the developer could have compromised more.

Podgorsek reiterated his previous statements that he was opposed to the plan because he felt that Campbell already had too many multiple units.

Chamberlin claimed that it was a good plan and was the best that had ever been presented for the parcel and he cautioned the people to mind other developments that could go on it. He added also that the residents, in his opinion, were not unanimously against it.

Smeed said that the plan followed the general plan in density and that the city should follow that directive or change the general plan. But, he added, that it would not be fair to any developer to change the policy after an application was filed.

Doetsch maintained that the plan was a good one.

And that was the way the voting went.

Rogers and Podgorsek voting in opposition and Doetsch, Chamberlin and Smeed in favor.

Unless something unforeseen happens, based on Monday's vote, the ordinance will be adopted then on March 27.

Letters to the Editor

THANK YOU NOTE

Dear George:

Now that the smoke of battle has cleared up somewhat and the no votes have won a very substantial victory, I would like to first of all thank this newspaper for permitting us to present our views on this election in your paper.

Secondly, I wish to thank the many thousands of intelligent-thinking voters who supported us in defeating this unwanted tax increase.

Last, but not least by any stretch of the imagination, we wish to thank the many fine people who came to our aid with financial help and a very, very big thank-you to all our many friends who helped us distribute News Bulletins throughout the School District.

Again, our heartfelt gratitude and thanks to each and every one of you.

John W. Brown

Tree cost

Before acting on the recommendation of the Parks and Recreation Commission of whether the tree replacement at the city hall should be coast redwood or cedar deodar, the City Council on Monday night agreed that costs must first be known.

In another action, the Council directed staff to request the JayCees to replace the city limit sign on Hamilton Avenue and that the city would reimburse the JayCees when the insurance money was received.

A SERIOUS DRAWING--With the failure of the tax increase election on February 29, Campbell Union (elementary) School District estimate that it will mean a loss of $1.4 million in income the next year. It was determined by the district administration that 57 teachers would need to be notified that their services would not be needed for the the 1972-73 school year. The number was determined by raising class sizes, allowing for the return of teachers on leave and reassigning administrative or supervisory personnel to the classroom.

To determine a seniority list among the 57, a drawing was conducted last Friday afternoon, under the direction of Fred Peterson, administrative assistant.

In the above photo, Gordon Vallingham, fifth grade teacher at Monroe draws a number. On the left is Peterson. Seated in the background is Ralph Steinberg, trustee, on the left and Jim D'Avis, district superintendent.

MORE ABOUT Board frowns

(Continued from Page 1)

elements were listed as having an effect on the election.

Mrs. Vaughn hastened to assure Ralph Steinberg, who asked, that the points were not listed by priority.

NINE POINTS

The nine elements: 1) Many parents not registered to vote; 2) "Built-in" NO by those on fixed incomes. Large turnout of these people for this election; 3) Ballot argument against the election and the comment from the County Office of Education regarding teacher salaries; 4) Apartment dwellers were hard to reach; 5) The belief that the Board of Trustees would reduce the amount asked for in the second election; 6) Family economy; 7) Newspaper articles and editorials; 8) Voting at polls other than those at schools or in their attendance area; 9) Apartment owners saying vote NO because of rent increases.

Mrs. Vaughn also pointed out that approximately 550 citizens were actively involved in the campaign at all levels and that virtually 100% of the employees played active and supportive rolls.

At the board meeting a number of people in the audience expressed their views.

The Rev. Foster Shannon, from the Castlemont area, said that the classrooms were too crowded now and obviously they will be more so in the future. He advocated for an election in June with a 20-cent raise or less.

Others in the audience pointed out that 57 teachers were slated to be released because of the tax increase defeat. They thought that would be unfair.

JOHN BROWN

At that point John Brown, a Pollard Road resident, took the floor. He had actively opposed the tax increase by writing the argument against it on the ballot and appearing on TV in opposition.

Brown said that he failed to see any difference between letting a number of teachers go because of economic conditions was any different than Lockheed's action in releasing engineers when business was off.

Other statements made by Brown were challenged by members of the audience and by Trustee Steinberg. Steinberg took issue with Brown's statement that the proposed state refund to property taxpayers was "no good."

When asked by Dr. Bob King, trustee, whether he would support a continuance or a small increase in the tax, Brown replied he would have to be shown that the need was there before he could answer.

Planners to meet

Planning Commission members will have six plans before them for approval next Monday, including a remodeling request by Shell Oil at Salmar and Hamilton that involved a "missing" sidewalk last week.

Approval of the gas station plan was delayed at the last meeting because of a misunderstanding over the sidewalk requirement.

PHARMACY PHACTS

By Allan Blaine

Kissing can cause tooth decay, according to a report by a University of Illinois researcher.

* * *

It's been found that a human being's senses of taste, smell and sight are keenest around 7 p.m., and again at about 2 or 3 a.m.

* * *

A medical journal comments that if a child bites and breaks a thermometer, there's no danger in swallowing bits of broken glass.

* * *

A patient who complained of swollen ankles was found to have 258 items in his stomach, including keys, beads and coins.

* * *

The Italian government has banned smoking in certain public places such as public transportation, theaters and classrooms.

* * *

When your doctor prescribes the best, we do the rest, at the pharmacy with the "bedside manner."

Business boosts science winners

NASA-Ames Research Center will again provide two $600 Work-Research Fellowships to Science Fair winners, to be chosen by Dr. Paul Callahan, Ames research scientist and Science Fair director.

The chosen students will work with professional scientists on a project of their choice, in one of 35 laboratories in the Biotechnology Division (life and technology), the Environmental Biology Division, or the Exobiology Division (biology outside of earth).

The fellowships were first instituted last year through the efforts of Dr. S. N. Stein, now Valley Science Fair president and western regional director of Skylab, the first U.S. vehicle created to enable man to live and work in space for extended periods.

If a Science Fair project is deemed suitable, it is eligible to be chosen for installation in Skylab to carry on the experiment in space.

"A Week With a Park Ranger," a prize awarded last year by the California State Department of Parks and Recreation will be offered again this year.

Last year's winner spent a full week observing park science at state park units at Butano, Portola and Henry Cowell State Parks and the Ranger Training Academy in Monterey, capped with a trip to the Academy of Science and the Planetarium in San Francisco.

First to offer a new prize this year, the Youth Science Institute in Alum Rock Park, San Jose, will provide a nine-day backpacking adventure in the High Sierras

Organizations, firms and individuals who wish to assist as volunteers or provide prizes and awards to encourage students to learn scientific research and evaluation techniques through Science Fair participation, are urged to contact the Science Fair at 297-0755.

Prospect's Prophecies

by Phyllis Voigt

by Phyllis Voigt

Prospect's Drama Department proudly presents---"My Fair Lady," an adaptation of George Bernard Shaw's "Pygmalion." Among the major characters are Mark Menicucci as Professor Higgins, Lisa Paye as Eliza Doolittle, and Steve MacLaughlin as Mr. Doolittle.

The play covers the transformation of a London street flower vendor Eliza Doolittle into a "lady of distinction," by Professor Henry Higgins; and includes such songs as "The Rain in Spain," "Get Me to the Church," and "I Could Have Danced All Night."

"My Fair Lady" was presented Friday and Saturday nights, March 10 and 11, and will return Friday and Saturday nights, the 17th and 18th. Tickets are $1.25 for students, and $1.50 for adults. Reserved seats can be purchased for an additional fifty cents.

Seniors Get "Honors"---Senior class members at Prospect recently selected, from among their peers, two groups of honored senior students. These groups were the Senior Bests, and the Senior Mosts. Senior Bests include Julie D'Arpino and Tony Fanucchi as Best Dressed; Brad Booth and Nancy Witnauer as Best All-Around; Melody Nesseth and Mark Menicucci as Most Talented; Most Spirited, Darlene Flory and Bob Gault. Most Comical went to Madge Nelson and David Houte; Laurie Warren and Doug Wacker received Most Athletic; Almira Dancer and Chris Wallis were chosen Most Shy; Carol Harley and Jeff Pettit, Most Likely to Succeed, and Toncred Styblo and Dirk Weiss, Most Intelligent.

Senior Mosts included Most Gross, Terry Earlywine; Most Cuddley, Jane Foley; and Biggest Flirt, Kathy Fazzio.

Betty Crocker Homemaker of the Future---After taking the National Homemakers' Test just to see how she could do, senior Kris Nelson feels badly about winning the award at Prospect. She does not regret taking the test, but, "I felt like I'd just won Spiro Agnew on the Dating Game," she explained to Panther Prints reporters.

Campbell Artist's Guild

The Artist of the Month of February was Mary Kennison for her oil painting "Going Home."

Mary lives in San Jose and is a native Californian. She is a graduate of University of California, Berkeley, and has been painting for a year and a half. Mrs. Kennison has also been an elementary school teacher, and at present teaches piano and organ, with art as her hobby.

* * * *

The Campbell Artist's Guild will hold its monthly meeting at the Americana Room, American Savings and Loan Co., 1285 Lincoln Ave., March 23, Thursday, at 7:30 p.m.

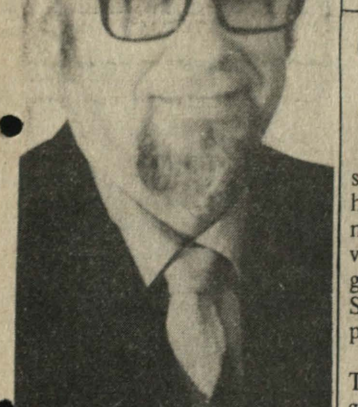
Judy Sherman, painter, teacher and art director will be doing a demonstration in watercolor of animals.

Judy is a graduate of University of Washington and has studied art with many well known teachers. Her exhibits have hung in Palace of Fine Arts, DeYoung Museum, deSaisset Museum in Santa Clara, Rosicrucian and Triton Museums. She is a member of West Valley Artists, Santa Clara Water Color Society, Palo Alto Art Club, Society of Western Artists, and a member of Gallery Committee in Montalvo.

The meeting is open to the public without charge. Election of officers will take place during the business meeting with Mrs. Geneva Heald presiding.

* * * *

The Annual Officers Juried show will be on exhibit through April at Saratoga Gallery, 14501 Big Basin Way, Saratoga, California.



LEADS TOUR --- Donald Armitstead, director of education at Campbell High School, will lead a group of high school students this summer in a four-week study tour in Europe. The trip, arranged through the Foreign Study League, will start July 11 from Oakland and will include visits to London, Brussels, Paris and Rome. Armitstead's wife, Meg, a teacher in Felton, will accompany him as counselor on the tour. Local students interested in taking part should contact Armitstead at the high school or at 438-3482.

Looms used by Peruvian Indians duplicate those of Egyptian origin including identical number and arrangement of working parts.

Girls usher at new theater

During the symphony season uniformed usherettes and hostesses for the new Community Theater will be provided by Sympho-Teens, the girls auxiliary to the San Jose Symphony and Youth Symphony Orchestra.

Membership in Sympho-Teens, open to high school girls in the area, is currently enjoyed by students from Prospect High, Campbell High and a number of others.

The young women served as usherettes at the recent concert of the San Jose Youth Symphony, which has just returned from a musical tour of Mexico.

SERVICE CLUB

Mrs. Elliott Fisher will discuss rest homes when the Women's Service Club of Campbell holds their monthly meeting in the home of Mrs. Herman Rice, 18920 Sunnybrook Ct., Saratoga, at 1 p.m. Wednesday, March 22.

Besides the hostess, committee members are Mrs. Mervyn Nichols, Mrs. J.H. Peterson and Mrs. Daniel Allison.

Campbell Capers

by Jeanie Harris and Doreen Henner

On sale now in room 1 for the price of $1 are tickets to the Orchestra Concert which will be held in the auditorium on March 23 at 8 p.m. It will feature the full symphony orchestra, string quintet, and Alden Skinner on the organ. The purchase of the ticket entitles you to a chance to win a $200 mini-bike to be given away as a door prize.

DANCE

Campbell Chamber of Commerce will sponsor a dance in the Campbell High School cafeteria on Friday, March 31, at 8:30 p.m. The dance will feature two bands, including Dutch East India Co. A donation of 75-cents per person will benefit the Campbell community services. Free food will be served.

TRACK

Campbell will host their first track invitational this Saturday, March 18. Approximately 15 schools will attend including Camden, Awalt, Leigh, Saratoga, Soquel and Branham. Returning track great, Scott Skillman, will be competing in the 440 relay. Other events will be discus and high hurdles. The track invitational will be from 9–5. Cost is 75-cents with S.B.C. and $1 without.

BASEBALL

The Varsity baseball team overpowered Aptos on Friday with a score of 7-2. Kelly Davis, who went 2 for 3, was the leading hitter, while Steve Davis and Steve Garrido both added to the score.

Campbell's swim team "sank" Friday in their league opener against Prospect. Four-year varsity swimmer Pete Hovland came out ahead in both the 200 and 400 yard freestyle, as did Frank Szczurko, Don Vierra, Pat Rodda and Bill Norton in the medley relay.

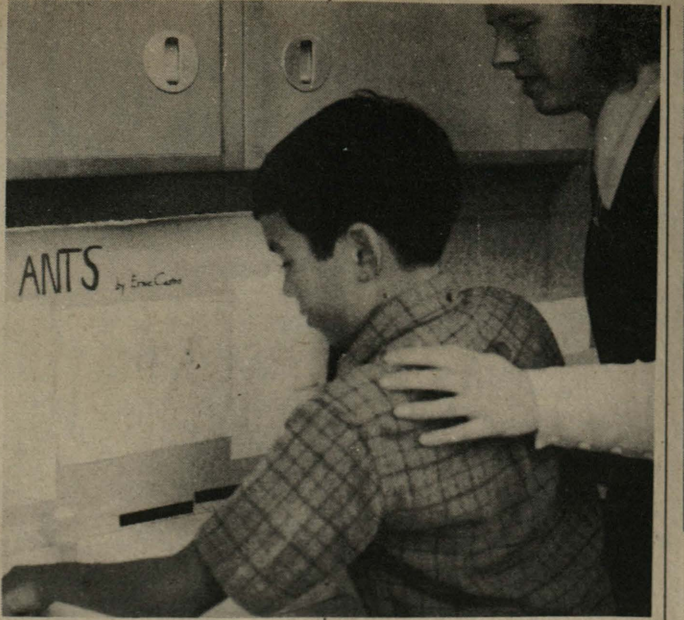
CHILDREN'S HOUR---Martha, played by Kay Gray of Sobrato Dr., and Dr. Joseph Cardin, portrayed by Bob Maher, tangle in a tense moment from the "Children's Hour", first drama for the newly formed Theater West Productions. The drama centering around two young teachers will be performed in the Carriage House, Villa Montalvo on March 31, April 1, 7, 8, 14 and 15. Directing the production will be Campbell resident Paul Gurev, of the recent West Valley Light Opera production of "Fiddler on the Roof." Another Campbellite in the play is Shirley Rosenberg in the role of Agatha.



YOUNG SCIENTISTS---Ernie Castro, a 5th grader at Sherman Oaks School, is one of over 240 students in the Campbell Union School District who will display projects in the district's 15th annual science fair on Saturday, March 18 at Castlemont School. Fourth through eighth grade students in 19 Campbell elementary schools and St. Lucy's will present their efforts in one of five divisions--physical science; earth-space science; zoology; botany and medicine health. Judges will evaluate the projects on Friday evening and Saturday morning, then open the school to the public at 9:30 a.m. Last year's fair attracted over 1,000 visitors.

ST. LUCY'S

YOUTH COUNCIL REPORTS

by Nonie Almada

St. Lucy's Youth Council is looking forward to two exciting activities in March.

The first activity is a dance on Tuesday, March 18 in St. Lucy's gym from 8:30 to 11:30, for high school and college age.

Music will be provided by Snake Root. The cost will be $1.25 per person.

Our second activity is a pancake breakfast in St. Lucy's Annex on Sunday, March 26 from 8 a.m. to 12 p.m.

The cost will be $1.25 for adults, 75-cents for children under 12 or $5 per family.

We are looking forward to these activities and encourage all to attend.

CAST AUDITIONS

Young people age 7 to 14 may audition for "Snow White and the Seven Dwarfs", the second production of CAST, Campbell Civic Actors Seminar Theater, on Monday and Tuesday, March 20 and 21.

Mrs. Phyllis Hofer, producer-director of CAST, will conduct auditions from 3 to 5 p.m. both days in Bennett Hall of the Congregational Church, 400 W. Campbell Ave.

Vocalists should bring their own music and dancers their own records though an accompanist and record player will be provided.

WIND ENSEMBLE

The award winning Saratoga Wind Ensemble will premiere an avant-guarde work dedicated to the band's young conductor, William Trimble, in the concert hall of San Jose State College on Thursday, March 16.

Program notes given by the composers via live phone calls will be a special feature of the Saratoga High School Ensemble's performance.

MARCH 15:

On this date in 1950, Joint Chiefs of Staff, in a basic decision on guided missile roles and missions, gave the USAF formal and exclusive responsibility for strategic guided missiles.

Man was making glass at least 4,000 years ago, long before he learned to smelt iron.

NTA CLARA VAL

PLANNING PRIZES --- Planning Santa Clara Valley Science Fair prizes and awards are, left to right, Clark Champion, program director for the Youth Science Institute, Park Ranger James A. Taylor, California State Department of Parks and Recreation, and Dr. Paul Callahan, Science Fair director and research scientist at NASA-Ames Research Center. The Science Fair will be open to the public without charge Saturday, March 25, with public award ceremonies Saturday night.

ESALEN DIRECTOR---Dr. Schutz, left, director of the residential program of Esalen Institute is interviewed by Walter Fontes, author of books such as "Joy" and "The Interpersonal Underworld." Dr. Schutz will share his views on honesty, joy and Gestalt Psychology in the Campbell High Auditorium from 7:30 to 10 p.m. on Friday, March 17. Tickets for the JayCee-sponsored lecture are on sale at the Almaden Fashion Plaza, or at the door, for $2, adults and $1.50, students. The Campbell JayCees will use proceeds from the lecture for the Rincon Park project.

Painting given at art show

Creative Artist Group will "take to the sidewalks" this weekend when they present an "Art in Action" show at the San Tomas Plaza, San Tomas Road and Campbell Avenue.

The three day show, starting Friday, will feature "art in action" demonstrations and will include a drawing for a painting by the director, Bea Griffin. Second prize will be a San Francisco scene by Zol Thompson. Other prizes may be offered.

Clubs have sale of canned goods

Campbell Kiwanis Club and Branham High Key Club will hold a case lot canned goods sale on Saturday, March 18 from 9 to 3 p.m. at Becker Foods Warehouse, 30 S. Central Avenue.

The sale will feature canned goods such as cherries, pineapple, tomatoes and green beans, offered by the case only.

Kiwanis and the Key Club will use the proceeds from the sale to help in their youth services activities and scholarship program.

TRUDGING HOMEWARD---Members of West Valley Hiking Club, primarily high school students, make their way along frozen paths as they return from a trip to Echo Lake in the Sierras.

West Valley Hiking Club learns winter survival techniques

The combined units of the West Valley Hiking Clubs recently completed two intense three day survival experiences in the Desolation Valley Wilderness Area in the mountains west of Lake Tahoe.

Eighteen young people from eight west side high schools and junior highs took part in the trip which included snowshoeing from Echo Summit to Tamarack Lake where camp was established.

At Tamarack Lake the groups built snow caves and igloos. On the second day the young people climbed Ralston Peak during a snow and wind storm.

Primary experience included skills necessary to survive in an intensely hostile winter environment. Prior to the trip three seminars were held. Topics covered included such items as prevention of frostbite, snow shelters and snowshoeing.

Leadership on the outing was provided by Club Guide Marshall Pike and Club Director, Leon Berthiaume, a teacher at Castro Jr. High School.

Future activities of the Club include weekly weekend backpack and cycle trips throughout northern California and the Sierras and two extended spring vacation trips, including a six day winter mountaineering seminar on Mt. Shasta and a bicycle trip from Lake Tahoe to Death Valley.

In addition to spring outings, the Club will also offer a full summer program of 20 outings ranging from week long Sierra trips to cycling, climbing and backpacking trips to Washington and Canada.

Additional information regarding Club activities may be obtained by calling Berthiaume, 374-3311 or 374-2390.

REST STOP---Twelve members of an 18 party "survival" group composed of members of the West Valley Hiking Club take a snowy hillside rest during a weekend trip to Sierras.

Fashion show and luncheon held Saturday

The Women's Fellowship of the Congregational Church of Campbell is hostessing a fashion show and luncheon on Saturday, March 18, in the new fellowship hall of the church, 400 W. Campbell Ave.

Mrs. Bea Lillington is president of the fellowship, which contributes to many activities of the church.

Canterbury House of Los Gatos is supplying fashions for the afternoon, which will be worn by members of the fellowship.

LUNCHEON PLANS---Mrs. John Scalmanini and Mrs. Paul Calleja discuss plans for the spring luncheon of St. Lucy's Mothers' Guild on Tuesday, March 21. More than 50 food products will be given away as prizes at the luncheon which will be served at 12:30 in St. Lucy's Annex, Winchester Ave. Proceeds from the $1.50 luncheon will go to St. Lucy's School. Baby sitting will be provided. A short Mothers' Guild meeting follows the meal. For more information phone 248-5464.

VIOLET SOCIETY

The African Violet Society of South Bay will hold their monthly meeting in the Palo Alto-Salinas Savings Community Room at 10250 Saratoga-Sunnyvale Road, Cupertino, Tuesday, March 21, 1 p.m.

Inna McDougall will describe the different methods of growing African violets and there will be a review on wick watering.

MUSHROOM DEATH

In this country, there are more deaths from persons eating poisonous mushrooms than from being bitten by rattlesnakes.

HAMILTON SPRING CONCERT

The theme from Romeo and Juliet will be sung by the chorus, under the direction of Donna Bell, at the spring concert of Hamilton School on Tuesday, March 21 at 7:30 p.m., in the school's cafeteria.

A short PTA meeting will precede the concert.

Social Side

Lenten program given at church

Women's Society of Christian Service of the First United Methodist Church will hold a special Lenten program on Thursday, March 16.

The program will include a luncheon, prepared by the Mary Circle, from a menu similar to the Last Supper, including Paschal meat, bitter herbs, grain, unleavened bread, dried fruits and nuts.

Participating will be Rev. William H. Gould, minister, and Bob Campbell, baritone soloist.

A business meeting will precede the luncheon in the chapel at 10 a.m. Mrs. John Bergthold will preside.

KOTCH

Just because Walter Matthau shows up on the screen with gray hair, fuzzy eyebrows and the walk of a senior citizen doesn't necessarily mean he has convinced anyone in the audience that he is 78 years old.

For one thing, his eyes and voice betray his age. While he isn't quite convincing, he is nevertheless delightful in "Kotch", now showing at Winchester Drive-in 3, Campbell Twin Theaters, and Century Almaden 1.

Matthau received an academy award nomination for his portrayal of the aging Mr. Kotcher, but I doubt he has much of a chance to win the Oscar. Not because he wasn't good in the role, but rather because he has some rather stiff competition.

"Kotch" is a very simple story. It's about how an old man finds a place for himself and another person when everyone else seems to be telling them both they have no place. It's a very warm and sentimental movie. And it has some rather interesting and important things to say about how the American populace treats older people.

In the beginning, Kotch is living with his son and daughter-in-law and baby grandson. He is about to be replaced as the official family babysitter. The mother (Felicia Farr) is quite obviously a nervous wreck as a result (she says) of Mr. Kotcher's presence in the home. She first became concerned about Kotch's ability to be a suitable babysitter when the baby came home from an outing with his grandpa with the smell of beer on his breath.

The ensuing attempts to get rid of Grandpa run the gamut from being almost funny to being very cruel. In one particular case, Kotcher is taken and dumped at a home for the elderly and is subjected to a wide range of degrading psychological tests.

Grandpa Kotcher is finally replaced by a teenage babysitter who has entangling alliances with her boyfriend on the couch. While Grandpa knows what is going on, he doesn't want to get the girl in trouble. He does finally decide that he has to be a tattletale for the benefit of the baby. As a result, the girl gets fired from her job. Soon after, she ends up pregnant and gets shipped off to have the baby on her own.

At this point, Mr. Kotcher realizes the similarity between the girl's predicament and his own. Determined to help the girl, he takes off to find her, posing as a private detective.

The action which follows makes up for the very slow start of the movie. And the companionship which this unlikely couple find together is quite heartwarming.

While the movie isn't a great one, it does have some important things to say about old age and adolescence and it says them pretty well. It's enjoyable viewing and if you need to get out of the house, it makes a very good evening's entertainment.

Dutch dinner is open to public

The Temple of Heart's Delight, Royal Order of Caritas, will serve its annual Dutch dinner on Saturday, March 18, from 5:30 to 7:30 p.m. at Odd Fellows Hall, 276 E. Campbell Avenue.

Entertainment will be provided during the dinner. At 8 p.m., the members will convene for their regular meeting.

Participants will include Mrs. Jack Clough, exalted matron; Kenneth Swartz, exalted patron; Mrs. Rosetta Willcox, associate matron; Ray Livingston, associate patron; Mrs. Amanda Honeywell, conductress; Irene Cunningham, associate conductress; Daisy Bodwell, scribe; Helen Castro, treasurer; Marciele Swanson, chaplain; and Mr. and Mrs. Fred Johnson, marshals. Mrs. Helen Sharp, Mrs. Winifred Tucker, Mrs. Leta Tilford, Mrs. Irene Hood and Mrs. Ruth Jameson will represent the Triangle.

Dance club show Friday

Westmont High School Orchesis Modern Dance Club will present their first dance production "Soul Expression" in the school cafetorium on Friday, March 17 at 8 p.m.

Included in the performance will be modern, jazz, tap and ballet dances.

Admission to the show is $1 for general admission and 75-cents with student body card.

High school orchestra gives unique door prize at concert

The Campbell High Orchestra under the direction of William Perkins will present a spring concert on Thursday, March 23, at 8 p.m. in the high school auditorium.

As a special innovation this year the orchestra is giving away a micro-mini bike valued at $200.

The bike, which weighs only 38 pounds, comes in a handy "carrying" case and is reputed to support a 300 pound man at 18 miles an hour.

(No license is required for it since it is an off-the-road vehicle.)

The bike was donated to the orchestra by Mr. and Mrs. D. L. Rogers of Campbell, whose daughter, Donna, is a viola player in the orchestra.

Featured in the concert will be violist Martin Lee and Cellist Karen Hastings. Both Martin and Karen are members of the San Jose youth symphony and both have been selected to play in the all-state Honor Orchestra. The honor orchestra will perform at the California Music Educators Association conference to be held in Fresno March 26-28. Martin, a senior at Campbell, is principal violist with the San Jose Youth Symphony.

Concert master is John Rowland. Tickets for the concert may be purchased from any orchestra member, at the high school office or at the door the evening of the concert.

GIVE–AWAY---Kevin Miller and Pat Powers, members of the Campbell High School Orchestra, show off the lightweight mini-bike which will be given as a door prize at the orchestra concert on Thursday, March 23 at the school.

MAYOR SIGNS---Girl Scouts Jean May, Sandy Knox and Chris Napier, left, look on as Mayor Ralph Doetsch signs a proclamation officially recognizing Girl Scout Week (Mar. 12 through 18) in Campbell.

GIRL SCOUT News

by Erlene Cleveland

Girl Scouting celebrated its 50th birthday in Santa Clara County on March 12. It was the 60th anniversary of the founding of Girl Scouting in the United States.

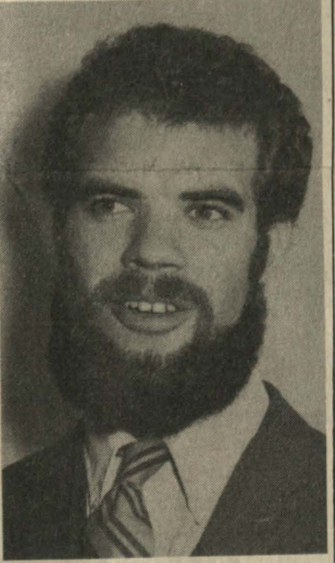
In recognition of the Girl Scout birthday, Mayor Ralph Doetsch Sr., signed a proclamation proclaiming March 12-18 as Girl Scout Week in the City of Campbell.

Present for the ceremony was Sandy Knox, Brownie Girl Scout from troop 767, Baker School, led by Mrs. Alan Knox; junior scout Jean May, troop 29, San Tomas School, Mrs. Anthony Mendivil, leader; and Cadette scout Chris Napier, troop 567, Westmont High School, Mrs. Rose Anderson, leader.

On Girl Scout Sunday (March 12), girls and adults wore the official uniform to church. Troops grouped together in specially reserved sections to commemorate this special day. Among those attending services at the First United Methodist Church of Campbell was Brownie troop 122, Lynhaven School, Mrs. James Davis and Mrs. Kenneth Smith, leaders.

St. Lucy's Catholic Church set aside their 8:30 a.m. mass as the special service, with the traditional hot chocolate and donuts served following the service.

At the Congregational Church of Campbell, a flag raising ceremony was conducted by senior scout Barbara Hansen and junior troop 420, Capri School, Mrs. Leland Lopes, leader. Special guest speaker during the morning service was Sally Buniowski of the Girl Scout Speakers Bureau, who spoke on the spiritual basis of Girl Scouting.



BOB CAMPBELL

Director sings for luncheon

Bob Campbell, director of music at Campbell First United Methodist Church, will provide special entertainment for the annual luncheon and fashion show of the Women's Service Club of Campbell.

The event will be held today, March 15, in the church, 1675 Winchester Blvd., where Campbell directs adult, youth and boys choirs along with leading the singing during the Sunday night Youth Fellowships.

Campbell, who organized and directed "Raymond Chorale" at Raymond College, the University of the Pacific, where he studied for two years, began his formal music studies in Vienna at the Institute of European Studies and completed his music degree at San Jose State College in 1971.

He was hired as church music director last fall.

MUSIC FESTIVAL

Auditions will be held for the second annual Youth Music Festival at the Saratoga Youth Center, Fruitvale Ave., on Friday, March 17 from 3 to 5 p.m. and Saturday, March 18 from 10 a.m. to noon.

High school students in the West Valley College District may audition for the Festival with solos, duets or ensembles on any instruments. The Festival is sponsored by the Woman's Auxiliary of the Los Gatos-Saratoga Symphony Society.

"Charlie Brown" closes Sunday at Cabrini Hall

The young and old of the Campbell-West San Jose area will have one last chance to see the "Peanuts" crowd onstage this weekend, as the San Jose Children's Musical Theater concludes its performances of Clark Gesner's popular musical "You're A Good Man, Charlie Brown" March 18 at 3 and 8 p.m. and Sunday, March 19 at 3 p.m. in the St. Frances Cabrini church hall on Camden Avenue. A donation of $1.50 for adults and $1 under 13 is requested.

This production, featuring youngsters from 9-14 in the six character roles, has been hailed as one of the best young people's productions in the Bay area. Singled out for their exceptional performances were Guy Chicoine as the Beagle with visions of grandeur, Snoopy; Bill Howard, who plays Charlie Brown; Anne Healy as the obnoxious, yet lovable Lucy, and Paul Pastroni as Linus; Steve Isom playing Schroeder, and the jumprope-skipping Patty, portrayed by Kerby Carr.

Directing this fast moving, "Laugh-in" style musical is John P. Healy Jr., assisted by Nancy Heiser. Musical director is Patricia Healy, a professional violinist and accompanist Chris Khoury, both of the College of Notre Dame in Belmont, California. Production assistants include Pat Carr, orchestra members Robbi Thornburg, Eddie and Pete Resch, and box office manager Joanne Carr. Technical and construction work was handled ably by Mark Healy, Kevin Furey and Gary Seeburger.

At these performances of "You're A Good Man, Charlie Brown" applications will be available for the SJCMT SUMMER '72 workshops to produce "Annie Get Your Gun" at the Cabrini Hall and Rodger's and Hammerstein's "Cinderella" at St. Martin's church hall in Valley Fair. For further information about the SJCMT programs or ticket reservations call 269-3738 or the SJCMT office at 265-1490.

LOVABLE LUCY — Anne Healy, as Lucy, collects a nickel for listening to Charlie Brown's problems in the SJCMT production, "You're A Good Man, Charlie Brown," which concludes this weekend. Charlie Brown is portrayed by Bill Howard.

Kirkwood holds flea market for local groups

Kirkwood Plaza Merchants Association is sponsoring a flea market in the plaza parking lot on Saturday, April 15. The center, located at San Tomas Road and West Campbell Ave. is making the space available to all non-profit groups in the Campbell, Los Gatos and Saratoga areas, without charge.

The parking area adjacent to the Royal Fork Restaurant will be used for the "marketplace" and clubs, churches or schools wishing to reserve space are urged to call the Kirkwood Plaza Promotions Office, 379-4547 for reservations.

CWA

Prizes will be offered and refreshments served in the grange hall, 109 N. First St., Campbell, on Friday, March 17 at 8 p.m. when the CWA, Committee of Women's Activities, Orchard City Grange No. 333, sponsors a card party.

SQUARE DANCE

"The Space Twirlers" are holding their 3rd Anniversary Hoedown on Saturday, March 18 from 8 to 11 p.m. at the Esterbrook School, San Jose.

Caller for the square dance club is Ruben Alcala. Tickets for the event are $2.50 per couple.

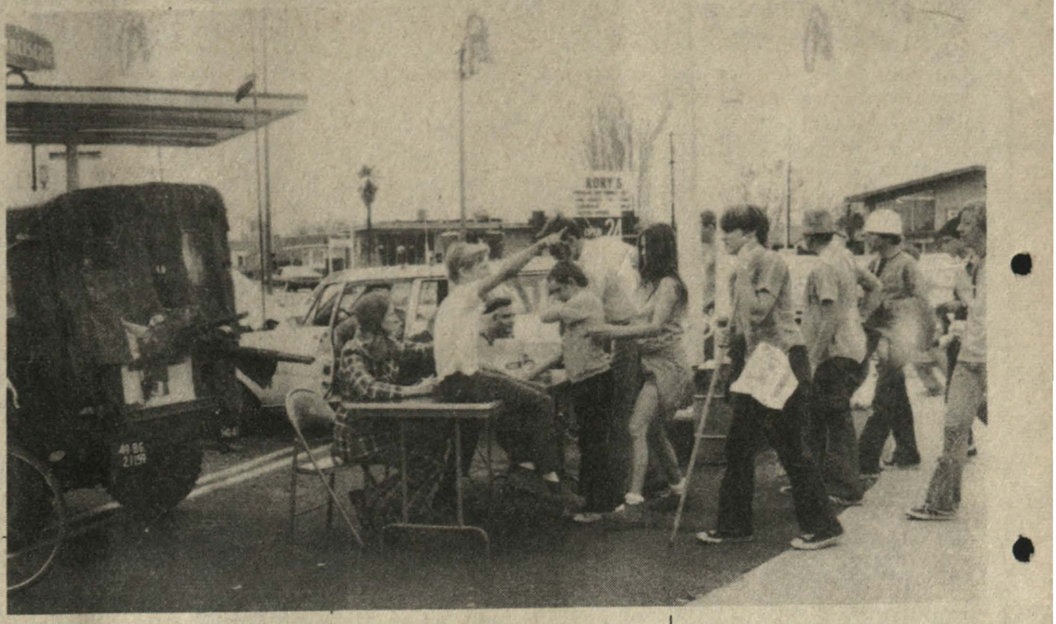
RECREATION AREA--Swimming pool and clubhouse plaza of the newly proposed Arroyo del Prado community of individual homes and townhouses designed for the corner of Campbell Ave. and San Tomas Expressway by architect Norman R. Burdick, A.I.A. for Dura Style Homes. On Monday (March 13) first reading was given the city ordinance approving the site plan for the 31-acre Amato property on which the development is located.



CHECKPOINT---One of the checkpoints established in the outstanding 20-mile "walk-a-thon" on Sunday for the March of Dimes in which an estimated 10,000 marchers participated was set up at Hamilton and Meridian. (Above). The marchers in the sensational promotion started at Santa Clara and hit Campbell at Hamilton and Bascom. The route led back to Santa Clara and Buck Shaw's Stadium where it started.

College classes for elderly, retired offered

West Valley College's Community Services will offer two courses dealing with care of the elderly and the problems of retirement beginning in March.

Mrs. Priscilla Eldridge, experienced physical therapist, will teach an eight-week course, "Comprehensive Care of the Geriatric Patient", which is designed for those already employed in elderly care facilities.

The class will be held Thursdays 7 to 9:30 p.m. from March 16 to May 11.

The economics of retirement, housing and life style will be explored in "the Promises and Problems of Retirement", taught by Betty Jane Rank Thursdays 7 to 10 p.m. from March 9 to April 6.

Registration and a small fee, required for both courses, may be completed at the Office of Community Services, 44 E. Latimer Ave., Campbell, room L-26, phone 379-1733, ext. 58.

SUNRISE CHOIR

An inter-church choir of vocalists from all over the valley will sing Handel's Hallelujah Chorus at the 25th annual Community Easter Sunrise Service at 6 a.m. on April 2, Easter Sunday, in Oak Hill Memorial Park and Mortuary, San Jose.

Church groups or individual singers who would like to participate are invited to come with a copy of the Hallelujah Chorus, since there will be no advance rehearsal. Persons interested should phone 269-1212.

HITTING TOWN---An army of youngsters with a few adults mixed in walked 20 miles on Sunday in a dramatic promotion for the March of Dimes. Many Campbell young people participated in the big march from Santa Clara's Buck Shaw Stadium around the west side and then back to the stadium. The marchers, estimated around 10,000, raised $75,000 for the fight against birth defects. Each marcher had a sponsor who had agreed to pay a certain sum for each mile walked.

The marchers hit the Campbell city limits (going south on Bascom) at the intersection of Hamilton and Bascom avenues (pictured above) and then they turned east on Hamilton to Hamilton and Meridian which was a scheduled checkpoint. Officials rep that 10,000 walk-a-thon registration cards were issued. The marchers who became too footsore to continue their trek were hauled to the stadium via army trucks.

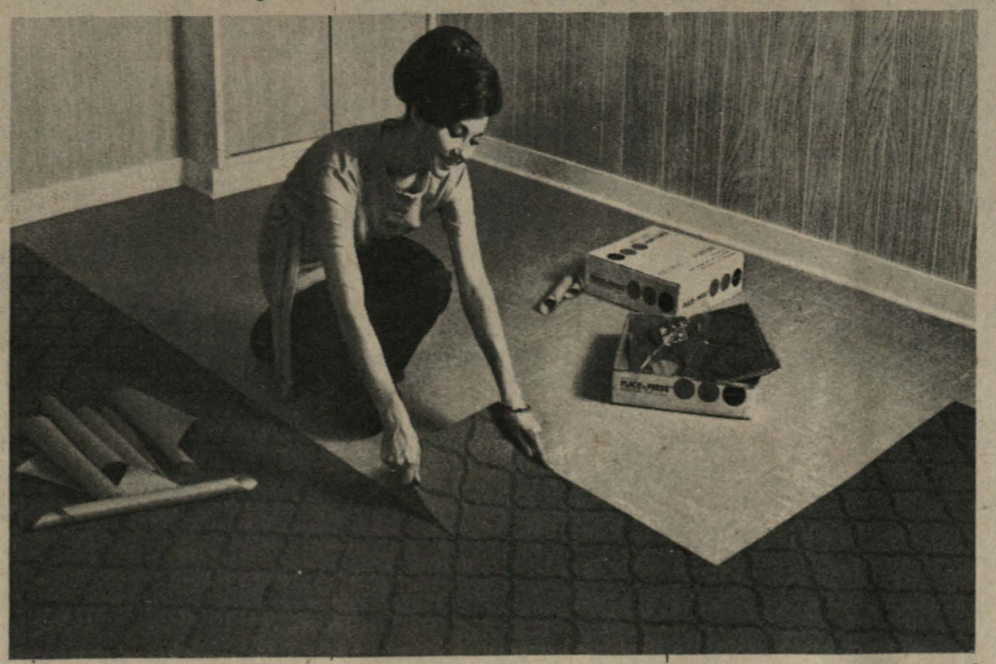
Family Joins in Do-It-Yourself Projects



Covering an old kitchen floor is fast and easy, thanks to new self- adhering vinyl-asbestos tiles from Armstrong. Each tile comes with the adhesive already applied to the back. To install, simply peel off the protective paper backing, set the tile in place, and press! It's easy enough for the home maker to do herself.

New No Mess, Just Press Tiles Easy Way To Redo Kitchen Floor

If you're tired of living with an old-fashioned kitchen floor, but have put off doing anything about it because of the expense involved, here's welcome news.

Replacement of worn or outdated resilient flooring isn't the complicated, time-consuming process it used to be. New installation methods have made the job almost as easy as painting a wall.

Today, according to the flooring specialists at Armstrong, almost anyone can install colorful vinyl-asbestos tile directly over existing kitchen linoleum. If the old flooring is smooth and firmly bonded to the subfloor, there's no need to remove it. You simply lay the tile right over the existing flooring.

Pressure Sensitive Backing

What's more, there's no messy adhesive to spread. Many floor tiles now feature a special pressure-sensitive adhesive that's already on the back of each tile. All you do is peel off the protective paper backing, set the tile in place, and press! The new materials bond firmly to almost any type of smooth-surface flooring, as well as unfinished plywood or concrete.

What this means, of course, is that the homemaker can now do over her own kitchen floor at considerably less cost than a professional job. Using the new place-and-press tiles, it's possible to work at your own speed. With no adhesive to worry about, you can stretch the installation out over several days, or finish it all in one session. It's up to you.

First, make sure that the floor to be covered is clean and free of wax or grease. Pry up the molding slightly at the base of the walls so that the tile will slide underneath during installation. To find the starting point for the first tile, carefully follow the measuring and marking instructions included in the tile package. Once the first row of tiles has been laid, you'll find the job goes quickly.

Good Idea

It's always a good idea to keep a few extra tiles on hand for replacement purposes later on. However, if you end up with more tiles than you need, don't throw them away. Self-adhering floor tile is wonderful for resurfacing shelves, countertops, and small tables.

You thought you couldn't do it . . .

now you can! With Armstrong

Place 'n Press™

EXCELON® TILE, a new floor is as easy as One, Two, Three.

1 Peel the release paper from the back of the vinyl-asbestos tile (the adhesive is already there).

2 Place the tile in position.

3 Press it down . . . it's on the floor to stay!

And, oh yes, Four . . . sit back and enjoy the lovely floor you installed yourself.

Armstrong Place 'n Press tile makes covering an old floor so easy you can transform that "tired, old floor" into something special any free afternoon. And style hasn't been sacrificed either. There are three beautiful designs in a choice of room-warming colors.

Stop by today, select your favorite, and enjoy it in your home tonight.

ONE STOP DO-IT-YOURSELF CENTER

Each Excelon Tile is one foot square. Perfectly square, so they fit snugly together. Doing a professional job is as easy as putting one foot in front of another.

You don't install Excelon Tile just for the beauty of it. The whole idea of doing it yourself is to save money—money you can use for an extra decorative touch.

Women Now Assume Important Role As Home Handymen, All Seek Out Pros for Major Improvements

Home handymen — and women — spend more than two billion dollars each year on do-it-yourself improvement projects, ranging from simple painting to major structural renovations.

Some rugged individuals work entirely alone; most seek help from family and friends; consult with contractors for advice or assistance on more complicated jobs.

Surveys conducted by home improvement groups show that interior painting is by far the most popular — and the most successful—job for do-it-yourselfers. Wallpapering runs a close second, but paper is not used as often.

Outside painting also ranks high as a frequent do-it-yourself job. However, many homeowners call in professional help for preparing the surface or for second-story work.

GREEN — in all its shades and tones — is the current most popular color for repainting interior rooms, with yellow or gold an increasing favorite.

WHITE is still tops for exterior paint with New England greens a close runner-up.

Most do-it-yourselfers say they find repainting work enjoyable, especially when it's a family project. In general, the wife is the first to notice that painting needs to be done; husband and wife confer and agree on a color choice; the husband chooses the brand and most often buys the paint.

If you are well equipped with the handy do-it-yourself tools, and every homeowner should be so equipped —there is no end to the number of repairs and improvements you can undertake yourself. The tools are a good investment for any householder. They come with instruction booklets clearly setting forth what can be done with them and how to do it.

Building supplies firms have a wide assortment of leaflets and booklets that will be helpful. Check them. Their personnel are experts in recommending the choices of materials of any kind best suited to your project.

Do-it-yourselfers list insulation, roofing and siding as the most difficult jobs. Sheer size seems to be the major deterrent.

Beyond personal preference, however, veteran home handymen warn that several projects should never be attempted by amateurs.

In general, leave these to the experts:

1. *Electrical work.* Unless you are fully qualified, you run the risk of serious injury — shock, burn, even electrocution. And makeshift wiring systems create household fire hazards.

2. *Major plumbing projects.* Fixing a leak is one thing. Installing new fixtures is something else. New piping has to fit in with the rest of the plumbing system. There's no economy if you end up with water damage throughout the house.

3. *Room remodeling.* Don't attempt any structural changes without professional consultation. Removing a wall between two rooms—or even an archway—can weaken the entire house if you're not sure just what you're doing.

If you need expert advice or help, check the advertisers in this Special Section for names of reliable contractors.

Repair Leaks, Drips Conserve Our Water

Conserving our natural resources is just as important to our environment as maintaining a comfortable standard of living.

Ever stop to think of all the appliances in the home that use water: sinks, dishwashers, toilets, showers, baths, automatic ice cube makers, laundry.

Especially important is prompt repair of faucet drips and leaks.

Redecorating Home With Colorful Flowers

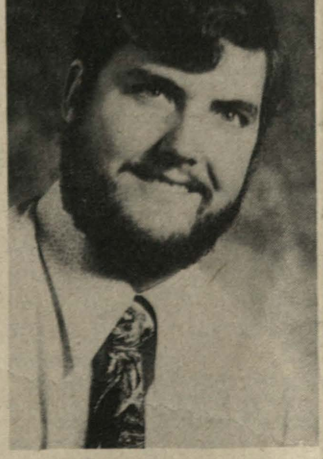
Redecorating the home with flowers and greenery can lighten any home and can be designed as a "growing" room divider or conversation piece.

Large plants such as rubber trees, potted, climbing ivy and certain hedges spruce up a bare corner.

Planter boxes and hanging baskets of your favorite flowers add attractive indoor color.

Plants should be placed according to their need for sunlight. Geranium and potted mums, available almost all year long, thrive and bloom when allowed to sun-bathe.

Preferring shaded areas are begonias, fuchsias or cinerarias, which will also do well outside on protected patios.



Shown above is Dan Cope, who has recently been named manager of the new Campbell branch store, Foreign Auto Parts, a subsidiary of Geon Intercontinental Corp. Cope's appointment was announced by M.J. "Mike" Dilloughery, corporate area manager. The new firm name will be Bap-Geon Foreign Auto Parts and will serve the Campbell, Los Gatos, Cupertino and Saratoga areas.

Mr. Cope is presently a resident of Santa Cruz, where he resides with his wife and two daughters. They are planning to move to Campbell in the near future, he said. He has been with the company for the past three years in their San Jose and Los Altos offices.

NEVER THE SAME

About one-half of the earth is subjected to a fluctuating snowline that advances and recedes with the seasons.

CURTNER-LEIGH
COLOR CAROUSEL
Moore PAINTS

This is Grand Opening week for the new Curtner-Leigh Color-Carousel at 1892 Curtner Ave. at Leigh Avenue. The new business will bring many new and wanted features of special interest to homemakers of this area. Owners and operators are Robert Houben, color consultant, Wynne Timpany, interior decorator and Valerie Stephens, art instructor.

In addition to the complete line of world-famous Benjamin Moore paints and varnishes, the store will feature a wide selection of wallpapers and wall coverings as well as supplies for the do-it-yourselfer.

Personnel of the new business will offer an unusual variety of personalized services. Robert Houben, area manager and color consultant for the Rinshed-Mason Company of Anaheim will be available to assist paint purchasers in color selection. Wynne Timpany will offer a home decorating service in customers' homes on request.

Valerie Stephens will be available for art classes both day and evenings. Art classes have already been scheduled for the mornings of April 4 and 5 and on the evening of April 6. Prospective art students wishing further information may phone 377-4460.

Planning on repainting? Be sure to use the right type of paint for the different rooms. Water paints are ideal for the bedrooms, halls, den, or living room but tend to absorb the humidity of a kitchen or bathroom.

Be sure to check with your paint salesman for the correct paint.

CAMPBELL UNION HIGH SCHOOL DISTRICT
San Jose, California
NOTICE TO CONTRACTORS
March 1, 1972
CONSTRUCTION OF ADDITIONS TO BLACKFORD, BRANHAM AND WESTMONT HIGH SCHOOL

Notice is hereby given that the Board of Trustees of the Campbell Union High School District of Santa Clara County, California, hereby invites and will receive sealed proposals for the furnishing of all labor and materials for construction of ADDITIONS TO BLACKFORD HIGH SCHOOL, 3800 Blackford Avenue, San Jose, ADDITIONS TO BRANHAM HIGH SCHOOL, 1570 Branham Lane, San Jose, and ADDITIONS TO WESTMONT HIGH SCHOOL, 4805 Westmont Avenue, San Jose, California, for the CAMPBELL UNION HIGH SCHOOL DISTRICT, 3235 Union Avenue, San Jose, California.

Written bids must be submitted not later than Thursday, March 30, 1972 at 2 p.m. at the Campbell Union High School District Administration Office, 3235 Union Avenue, San Jose, California.

Work must be done in strict accordance with plans and specifications prepared by Birge M. Clark, Walter Stromquist, and Paul W. Sandstrom, Architects, 3200 Hanover Street, Palo Alto, California. Plans are obtainable at the office of Clark, Stromquist, & Sandstrom, Architects, 3200 Hanover Street, Palo Alto, California. A deposit of $50,000 per set will be required from all contractors receiving plans, said deposit to be returned when plans and specifications are returned in good condition.

All bids are to be made out on forms furnished by the Architect. No verbal, telegraphic, or telephonic bids or modifications thereof will be considered. No bidder may withdraw his bid for a period of forty-five (45) days after the time set for the opening thereof.

The Board reserves the right to reject any and all bids. The Board also reserves the right to waive any informality in any bid received.

Bidders desiring information or explanation concerning any portion of the work during the time of estimating may obtain the same by making application to the Architect at least seven (7) days before the date set for the submission of the bids.

No bids will be accepted from, or a contract awarded to, any party or firm in arrears to the District or who is a defaulter as surety, contractor, or otherwise. No bid will be accepted from a contractor who has not been licensed in accordance with the provisions of the Contractors' License Act of the State of California.

Each bid must be accompanied by a certified check, cashier's check, or bidder's bond, made payable to the order of the Campbell Union High School District, in the amount of ten per cent (10%) of the tendered bid as a guarantee that the bidder will, after being notified of the acceptance of his bid, enter into a contract with the Board in accordance therewith and file the necessary bonds as called for in the specifications.

The work to be performed under this contract shall be substantially completed within the time limit as set forth in the Specific Conditions of the specifications.

Workmen employed in the work must be paid not less than the latest prevailing scale of wages adopted by the Board of Supervisors of Santa Clara County, and are as follows:

CRAFT	PREVAILING HOURLY WAGE RATE
	(Basic + fringe benefits)
Bricklayers	$8.00
Carpenters: Journeymen	7.50

Project San Tomas V
Parcel No. 2835-23B EX

WHEREAS, the County of Santa Clara has acquired for highway purposes certain real property no longer required for such purposes, such property being more fully described in Exhibit "A", attached hereto and made a part hereof by this reference;

NOW, THEREFORE, be it resolved that pursuant to the authority of Section 960.4 of the California Streets and Highways Code, the Board of Supervisors of the County of Santa Clara do hereby declare their intention to offer for sale the above-described real property.

BE IT FURTHER RESOLVED that such real property shall be sold subject to the following terms and conditions:

1. The minimum amount which will be accepted for the sale of such property shall be the sum of Seventy Thousand Dollars ($70,000.00).

2. The County of Santa Clara has purchased a preliminary title report from Title Insurance and Trust Co., 110 W. Taylor Street, San Jose, escrow number 341327. A copy of such preliminary title report is available for inspection at the title company. The successful bidder shall close the transaction through this escrow.

3. All sealed bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check, payable to the order of the County of Santa Clara in the amount of Seven Thousand Dollars ($7,000.00). All oral bids from persons not submitting written bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check in the amount of ten per cent of the minimum price specified in this resolution. No bid shall be considered unless such deposit is enclosed or provided therewith.

4. Written bids shall be on forms provided by the County. Before accepting any written bid, the Board of Supervisors shall call for oral bids. Any oral bid must exceed by at least five per cent the highest written bid. In the absence of written bids, the minimum oral bid shall be not less than the amount specified in paragraph 1. Final acceptance of an oral bid shall not be made, however, unless such oral bid is reduced to writing and signed by the bidder on a form provided by the County.

No commission shall be paid unless there is contained in the sealed proposal the name of the licensed real estate broker to whom it shall be paid. No commission shall be paid in connection with a successful oral bid unless the oral bid, when reduced in writing, states the name of the licensed real estate broker to whom it shall be paid.

5. The County may accept the bid of the highest responsible bidder (written or oral), or may reject all bids, as well as waiving any and all defects or informalities in any and all such bids. In the event there is a tie as to the highest responsible bidder (written or oral), the successful bidder may by determined by lot, or by such other means as determined by the Board of Supervisors. Any sale may be cancelled by County at any time prior to the recordation of the deed, in which event all monies deposited shall be refunded without payment of interest. In determining the highest proposal, the Board shall not subtract therefrom any commission to be paid in accordance with paragraph 12 hereof.

6. Within sixty (60) days after date of acceptance of bid by the Board of Supervisors, the successful bidder shall:

(a) Pay the balance in full, or

(b) Increase his deposit to not less than twenty-five per cent (25%) of the amount of the bid by deposit with the title company referred to in paragraph 2.

The balance of the purchase price (in a maximum sum of seventy-five per cent of the amount of the bid) shall be evidenced by a promissory note by the successful bidder naming the County of Santa Clara as payee, such evidence of indebtedness to be secured by a first deed of trust covering the entire parcel being sold. Such note shall be payable on or before eighteen (18) months after date of recordation of deed. The deed of trust shall contain a clause providing for acceleration upon the alienation of title.

Upon delivery into escrow by bidder of all documents and money provided for in (a) or (b) above, County shall deliver into escrow a deed in favor of the successful bidder.

7. The promissory note shall bear interest at the rate of seven per cent per annum.

Said interest shall be paid to County quarterly on the first day of January, April, July and October, commencing with whichever of the last-mentioned months that follows the recordation date of the deed. Each quarterly interest payment shall be computed and prorated on the basis of the unpaid balance prevailing at the beginning of the quarterly period.

A late charge in the amount of 2% of the quarterly interest payment will be assessed if interest payment is not made within 10 calendar days after due date.

The principal obligation under the Note and Deed of Trust may be prepaid in full or in part at any time without penalty. Partial payments shall be applied against the principal obligation.

8. Until the recordation of the deed to the successful bidder, the successful bidder acquires no right, title or interest or equity in or to such real property.

9. A failure of the successful bidder to comply with any of the provisions of this resolution shall cause the County to terminate the sales proceeding and retain the deposit referred to in paragraph 3.

10. The sale shall be without warranty, express or implied, and shall be subject to all liens, easements and encumbrances, whether of record or not, as of the date of recordation of the deed. The County of Santa Clara does not guarantee the condition of the property, nor does it assume any responsibility for its conformance to codes or regulations of the State of California, or the city or county in which the property is located. It is the successful bidder's responsibility to determine all applicable building, planning and zoning regulations relative to the property. The property will be sold on an "as is" basis.

11. Any and all expenses incurred in the transfer of title to such property to the successful bidder, including title insurance, escrow charges and documentary stamp tax, shall be paid by the successful bidder, with the exception that the County of Santa Clara will pay for the preliminary title report previously referred to.

The successful bidder shall deposit into escrow a policy of fire insurance covering any improvements located on the property in an amount satisfactory to and naming the County of Santa Clara as coinsured.

12. In the event a commission is to be paid in accordance with the provisions of paragraph 4 above, County shall pay a licensed real estate broker commission in the maximum of six per cent of the purchase price, such commission, however, to be paid only in the event that the Board of Supervisors accepts a bid, only out of monies received by the County of Santa Clara for the sale of property, and only after recordation of the deed. Such commission shall be paid as follows:

(a) If the highest acceptable sealed bid is submitted by a licensed real estate broker, a commission of three per cent of the purchase price. In the event of a tie between two or more licensed real estate brokers as to the highest acceptable sealed bid, the commission of three per cent of the purchase price shall be equally divided between the brokers. No commission shall be paid if the highest acceptable sealed bid is not submitted by a licensed real estate broker. In the event of a tie between a licensed real estate broker and a bidder who submits a bid and is not a licensed real estate broker, as to the highest acceptable sealed bid, the licensed real estate broker shall be entitled to a commission of three per cent of the purchase price.

(b) Three per cent of the purchase price to the licensed real estate broker submitting the successful bid.

BE IT FURTHER RESOLVED that on April 26, 1972 at the hour of 10:00 o'clock a.m. at the office of the Clerk of the Board of Supervisors in Room 524 in the County Administration Building, 70 West Hedding Street, San Jose, California, 95110, is hereby fixed as the time and place at which sealed bids, in writing, for the purchase of such property will be received. The Board will open all such bids at a public meeting of the Board at the hour of 10:30 a.m., April 26, 1972, at the regular meeting place of the Board of Supervisors in the County Administration Building, 70 West Hedding Street, San Jose, California, and at which time and place oral bids will be received.

BE IT FURTHER RESOLVED that the Clerk of the Board of Supervisors shall publish this resolution pursuant to Section 6063 of the Government Code and shall post a copy of this resolution on the property and at two other locations customarily used by the County for the purpose of posting public notice.

PASSED AND ADOPTED BY THE BOARD OF SUPERVISORS of the County of Santa Clara, State of California, on March 7, 1972, by the following vote:

AYES: Supervisors: Mehrkens, Sanchez, Quinn, Calvo, Cortese.
NOES: Supervisors: None
ABSENT: Supervisors: None
Charles A. Quinn

EXHIBIT "A"

Parcel "A" as shown on that certain record of survey entitled "Record of Survey of the Lands of the County of Santa Clara in excess of Lands Required For Roadway Purposes", and filed for record in the office of the Recorder of the County of Santa Clara, State of California in Book 248 of Maps at page 23 and containing approximately 2.048 acres of land.

Excepting and reserving unto the County of Santa Clara any and all rights of ingress to or egress from the land herein conveyed over and across the following described lines thereof; South 52° 24' 20" West 43.21 feet, North 73° 51' 39" West 164.97 feet, North 65° 14' 53" West 287.90 feet, North 41° 16' 52" West 73.52 feet, the South boundary.

It is the purpose of the foregoing exception and reservation to provide that no easement of access shall attach or be appurtenant to the property hereby conveyed by reason of the fact that the same abuts upon a County expressway.

LEGAL NOTICE

NOTICE TO BIDDERS

NOTICE IS HEREBY GIVEN that individually sealed proposals will be received by the Finance Director of the City of Campbell as specified below at which time and place said proposal will be publicly opened and declared for purchase. This will be known as BID NO. 1972-5.

ITEM: One (1) Programmable Electronic Desktop Calculator
DATE OF BID OPENING: Wednesday, March 22, 1972
TIME: 10:30 A.M.
LOCATION: Administrative Conference Room, City Hall, 75 North Central Avenue, Campbell, California 95008

Specifications for the above item have been approved by the City Council of the City of Campbell and are on file in the office of the Finance Director of the City of Campbell, to which bidders are particularly referred.

All bids or proposals must be made on forms furnished by the Finance Director. All bids shall include all costs to be paid by the City and the City shall not be obligated to pay any more than the bid submitted.

All proposals or bids must be accompanied by bid bond, certified or cashier's check by some responsible bank or bank of the State of California, payable to the City of Campbell in the amount specified in the "General Requirements" of said bid specifications.

The City of Campbell reserves the right to reject any and all bids and to waive any informality in any bids.

By order of the City Council of the City of Campbell.

CITY OF CAMPBELL
Dorothy Trevethan, City Clerk

Cougars Corner

by Alan Carmain

SUPERB PITCHING EFFORTS BY COUGAR MOUNDMEN

by Tom Genovese

Camden nine opened their pre-season baseball campaign March 4, as they edged Gunn High School from Palo Alto in a 1-0 contest on the Cougar diamond.

Superb pitching efforts by Camden's moundmen, John Bridgeman, Mike Walker, and Thad Troedson, limited the Titans to seven scoreless innings and five base hits.

Bridgeman, hurling the first three innings, allowed one hit and recording four strikeouts while only delivering 25 pitches.

The Cougar bats were silenced throughout the game as they could only manage a base hit.

Camden's only scoring threat came in the bottom of the fifth, with two outs remaining, as Greg Wadas walked and Tom Genovese singled, moving Wadas to second. Consecutive walks to Steve Espinoza and Dan Wilson provided the Cougars with their only run of the day, as a double play ended the inning.

Relief help came in the fourth and sixth innings by pitchers, Mike Walker and Thad Troedson, as the two right handers combined six Titan strikeouts, while giving up four hits as they aided the Cougars to their first victory.

Fine defensive plays were turned in by outfielders Jim Pope and Jim Caselegno.

TENNIS TEAM TRIUMPHS

Last Thursday, March 2, Camden's tennis team played last year's number one team in the league, St. Francis, on home territory.

Heading up the Varsity for singles matches were: Joe Schafer, Jeff Addington, Simon Wong, Casey Sullivan and Jamie Richardson.

Winning their matches (two out of three sets), were Simon Wong, 6-2, 6-4 and Casey Sullivan, 6-4, 3-6, 6-3. Heading the two Varsity doubles teams were Dennis Swan and Larry Kondo winning 9-7 and 6-1. The second Varsity doubles team; Mark Richardson and Mark Jones, 6-8, 3-2 was called a tie because of lack of time to finish the match. So the Camden Varsity tennis team tied St. Francis, 3-3.

Getting a chance to play for the J.V. team and coming up with a tie in his match was John Stengel, 6-2, 5-7, Bent Hancock winning, 6-4, 6-2; Mark Ray won his first set 6-2, and Greg Addington his match 3-6, 6-2 and 4-1. These players got a win over St. Francis for Camden's J. V. tennis team.

SUPERIOR COURT OF THE STATE OF CALIFORNIA FOR THE COUNTY OF LOS ANGELES

In the Matter of the Estate of)
LEWIS W. CARPENTER,)
Deceased.)

NO. P 561,919

NOTICE OF INTENTION TO SELL REAL PROPERTY AT PRIVATE SALE

NOTICE IS HEREBY GIVEN that, subject to confirmation by the above entitled Superior Court, on March 28, 1972, at 9:15 A.M., or thereafter within the time allowed by law, the undersigned as Administrator of the estate of LEWIS W. CARPENTER, deceased, will sell at private sale to the highest and best net bidder on the terms and conditions hereinafter mentioned, all right, title, and interest of LEWIS W. CARPENTER, deceased, at the time of his death and all right, title, and interest that the estate has acquired in addition to that of decedent at the time of his death, in the real property located in the County of Santa Clara, State of California, described as follows:

All of Lot 90, as shown upon that certain Map entitled "Map of Subdivision 'A' Monte Vista", which map was filed for record in the office of the County Recorder of Santa Clara County, State of California on April 11, 1917 in Book P of Maps, at Page 20.

Bids or offers are invited for this property and must be in writing and will be received at the office of LANGFORD & BOHAN, attorneys for said Administrator at 4825 Torrance Boulevard, Suite 210, Torrance, California, 90503, or may be filed with the Clerk of said Superior Court, or delivered to the said Administrator personally, at any time after first publication of this notice and before making said sale.

The property will be sold on the following terms: Cash or part cash and part credit, the terms of such credit to be acceptable to the undersigned and to the Superior Court, ten percent of the amount bid to accompany the offer, said deposit to be returned to purchaser forthwith if bid is rejected or not confirmed by said Superior Court, cash or credit for balance of purchase price at close of escrow.

The undersigned reserves the right to reject any and all bids prior to entry of an order confirming the sale.

Dated: March 7, 1972.

A for your thoughts

by Edith Bonnet

IT'S A WOMAN'S WORLD ?

With a city council race, one vacancy on the Planning Commission, and a presidential election coming up, this should be an active and interesting year in Campbell.

Now, I don't want to cause any gray hairs, but I would really like to see more women involved in Government.

Not women in the token sense, but dynamic, intelligent women who have many valuable ideas to contribute to their local, state, or national governments.

Most people agree that women provide a valuable balance to thinking. Some seem to believe that there are areas which are too technical for most women.

Might I point out that careers vary greatly in the kinds of talents they require.

Take psychiatrists and psychologists for instance, most of them are men and yet, to be effective they certainly must be concerned with human needs, more so than with technology.

Out of 30,000 people in Campbell, there should be several women, interested and talented enough, to master the jargon of the Planning Commission.

This line of thought reminds me of a story about a local high school teacher.

The parents of a sophomore girl were attending the annual back to school night.

During a visit to one of her math classes, the teacher expressed wonder that there were more girls than boys in his class, and surprising to him, some of them were his top students.

He couldn't understand their gift for logic. This misguided lad must have been young and unmarried, for any husband knows it took hours of logic to get him to walk down that infamous aisle.

Any man, confronted by a wife with a desire for a new dress, knows before he starts that he can't out logic his wife's logic. Anyway, enough of that stuff. We knew we were equal long ago, didn't we?

A TOUCH OF THE LIGHT

Jake: "What are you doing for your cold?"

Jack: "I sneeze whenever it wants me to."

Farm Journal

Johnny: "I fell into a mud puddle!"

Mother: "What? With your new pants on!"

Johnny: "Yes, I fell so fast I didn't have a chance to take them off."

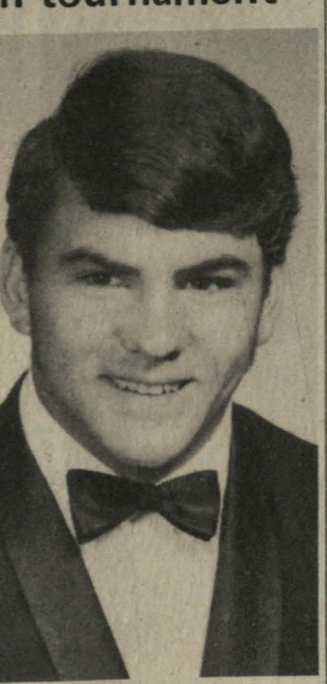
Wrestler places in tournament



RORY LUCAS

Rory Lucas, 18-year-old senior at Campbell High, who has wrestled since the 7th grade, was the only student from Campbell High to place in the recent Northern California Wrestling League Tournament held at Hayward State College.

Lucas, whose weight classification is 191, placed second in the local league tournament, first in the regional, third in the central coast section and fifth in the Northern California League Tournament.

Though his teammates didn't place in the latter competition, they won the following: Timmy Wheeler, weight 95, won second in the league, first in the regional; Jamie Wheeler, weight 112, won first in the league, and first in the regional and sixth in the Central Coast; Dan Doncheo, weight 120, garnered first in the league, second in the regional; Mike Doncheo, weight 145, won firsts in both the league and regional, John LoBue, weight 154, got fourths in both tournaments.

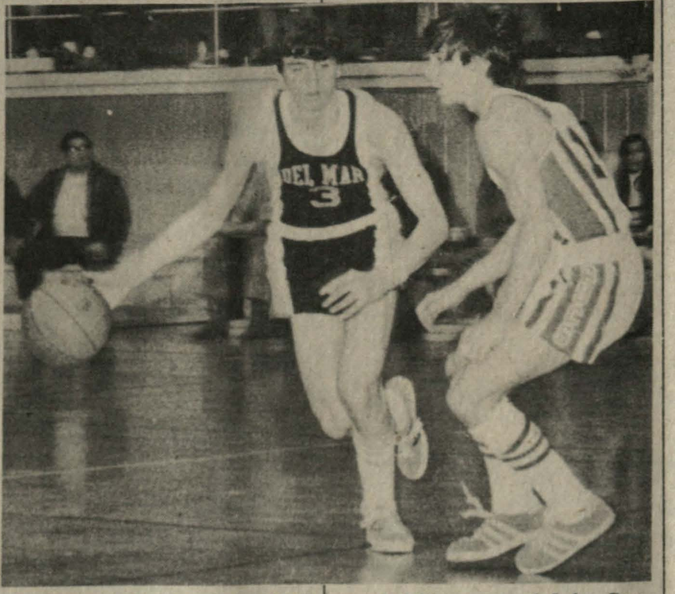
PRUNES vs FACULTY

The Radio Station KLIV Prunes and Lynbrook High faculty clash on the school's basketball courts, Rainbow and Johnson Avenues, at 8 p.m. today, March 15.

KLIV's basketball-bouncing staff have raised over $450,000 for area schools during the last five seasons.



MOST VALUABLE PLAYER--Paul Arace of Del Mar High, named West Valley Athletic League's Most Valuable Player, dribbles around John Parisi of Campbell in the Shaughnessy Playoff Championship.

DON'S DIARY

by Mike Rexroad

This year's Senior Ball was held at the Cabana Hyatt House in Palo Alto. The band was "Dutch East India Company" and the affair lasted from nine to twelve.

The After Ball from one to five in the morning at Saratoga Lanes, provided the seniors and their dates with free bowling, breakfast and soft drinks for a nominal fee of $5 per person. Also adding spice to The After Ball was the popular band, "Session." According to class officer Tim Toole, "It was a resounding success!"

A FUNNY MURDER?

The Del Mar Drama Department will present "Arsenic and Old Lace", March 16, 17 and 18 in the Del Mar cafetorium at 8 p.m.

This amusing play centers around the lives of two little old ladies who poison gentlemen callers. Diane Margiotta and Karen Powell play the lead roles while Kevin Quadros, Kerry McDonald and Mark Diamond round out the important members of the cast. Tickets are now on sale in the main office for $1 with reserved tickets at $1.50.

BASKETBALL ENDS

With the highpoint of their season coming exactly one week before against Campbell, the Dons were humiliated by The Silver Creek Raiders, 84-68.

Against Campbell, the Dons received a break when the Buc's first team all league forward, Dave Bush, fouled out early in the fourth quarter. Down by as much as twelve, and when Bush fouled out nine, the Dons, behind the WVAL's Most Valuable Player, Paul Arace, rallied and beat the Bucs 64-62 on a driving bank shot by Arace with five seconds left. The win over Campbell gave Del Mar their first championship in two years and vaulted them into the region three playoffs against Silver Creek.

In the regional playoff, Silver Creek, beaten by the Dons earlier in the season, jumped off to a first quarter lead they never relinquished. Along with their amazing field-goal percentage on offense, led by Vester Robinson, the defense, behind Rich Jones, held first team all league forward Paul Drozdiak to 21 points, 15 of which came on free throws, but time and time again discouraged Drozdiak with blocked shots. High point man for the Dons was second team all league forward, Ed Wehr.

TRACKSTERS IMPRESSIVE

Del Mar's Varsity Track Team started off the season in grand style by beating perennial Santa Teresa League powerhouse Willow Glen, 73-62.

The strong point of the team lies in pole vaulting and sprints. In the pole vault, the Dons have three vaulters that can clear thirteen feet, including Kevin Calvert, a state meet qualifier from last year, who vaulted fourteen feet against Willow Glen sophomores.

Bruce Mallory also provided a thrill by setting a new Del Mar high jump record by leaping 6'1-3/4". If you would like to see Calvert plus a very exciting and young track team, their next meet is against Campbell on the Bucs track.

West Valley Sports

by Dick Sparrer

VIKES WIN MARATHON

Bob Rasmussen's single with runners on first and third and no outs last Thursday drove in the deciding run as the West Valley College baseballers pulled out a marathon 3-2 win over Santa Rosa in Camino Norte Conference diamond activity.

The Viking shortstop singled in Brad Helder from third base with the winning run as WVC nabbed the victory in the 12th inning of action at Central Park in Santa Clara.

The win ran the WVC league record to 2-1 after losing their opener 1-0 to Canada just last Tuesday. The club will take on Marin Tuesday in a 3 p.m. game at Kentfield and will host DeAnza Thursday at 7:30 p.m. in a big one at San Jose Municipal Stadium.

The Dons, a Viking archrival since their conception, are leading the league and could go into the bout with a 3-0 slate.

Dave Wright (Los Gatos) will be on the mound for the locals against DAC. There will be no admission charge for the night game.

SCARED WVC WINS

"They really scared us," said a relieved Tom Smith after his West Valley College tracksters romped to an 81-55 Camino Norte Conference oval victory over Solano, "It was much closer than we anticipated."

Not only was it closer than Valley thought it would be, but it was closer than the final score makes it sound. The Vikings went one-two in the pole vault and the triple jump late in the meet and finished off with a victory in the mile relay to nail the win.

For West Valley, a favorite for the CNC crown along with Contra Costa, it was their second league win of the young season and this week they face a loop bye.

The Vikings will journey to Fresno State College for a meet with Fresno City College. Along with the JC meet, Fresno State will rival the University of Oregon at the same time.

Mike Schaecker, usually competing in the 880 and mile, will concentrate on the two mile Saturday in an effort to break the nine minute mark in the event.

Mike Haniger, Mike Flack, Randy Carlsen, and Robbie Anderson combined for a mile relay win to wind things up last Friday and give West Valley what would seem an easy track win.

Just a bit earlier Dave McWhinney won the pole vault with a 12'6" jump and Manuel Loza was second at the same height. McWhinney had fewer misses.

After the pole vault, John Murphy bounded to a win in the triple jump at 45' 8" and Randy Boudeau was second at at 45' 4" to secure West Valley's victory.

SWIMMERS WIN 3 OF 4

Coach Gene Nyquist of West Valley College's swimming team termed it "pretty realistic" if the Vikings could win three of their four encounters as they entered competition this past weekend. And that's exactly what the local tankers did.

The Vikes won both ends of a double dual meet with Cabrillo and Solano, the latter a member of the Camino Norte Conference, last Friday and a day later split in a double dual with Diablo Valley and Santa Clara University, losing to DVC.

All of the action was in the West Valley pool but next weekend WVC will swim in enemy waters as they face CNC rival Marin, Friday and the College of San Mateo, Saturday at 10:30 a.m. in a non-league meet.

West Valley had Diablo Valley, a Golden Gate Conference power, "running scared" for a while Saturday according to Nyquist. The Vikes started things off with a win in the relay but ended falling 74-37.

VIKES IN TENNIS SHUT–OUT

A rousing 9-0 win over Camino Norte Conference for Solano pushed the West Valley College tennis team's record to 1-1 and their season mark to 8-5 as they won every match last Friday.

West Valley racquetmen were winners in all six of the singles matches and then pulled in with three doubles victories to shut-out the hapless Falcons. In their only other CNC decision, the Vikes were shut-out by Canada.

But the big match is slated for this week as the locals host cross-town rival DeAnza for a 2:30 p.m. match on Friday.

Prior to the tilt with the Dons, the Vikes will host Diablo Valley College on Wednesday at 2:30 p.m. Valley just journeyed to DVC last week and came home 6-3 winners.

GOLFERS SHINE

Randy Johnson was medalist for the West Valley College golf team twice last week and both times led the local to team victories, the second in Camino Norte Conference play.

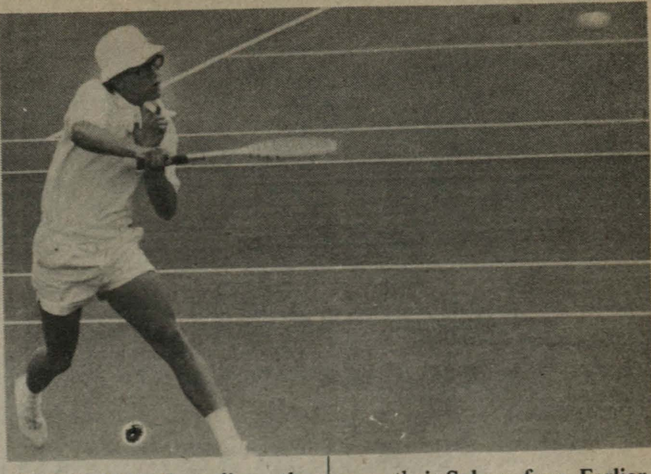
Johnson carded a 75 last Thursday against Hartnell and two days later holed a 74 against Contra Costa, leading the Vikings to 47-7 and 49-5 wins respectively.

The club will return to CNC play again Thursday when they host Santa Rosa on the Riverside course. Monday (March 13) the team met Menlo at Stanford.

SPAGHETTI FEED

Capri Home and School Club will host their annual spaghetti feed on Thursday, March 16 from 6 to 7:30 p.m., in the School cafeteria, 850 Chapman Dr., Campbell.

Tickets for the meal of spaghetti (all you can eat), tossed green salad, french bread, and ice cream are on sale today and tomorrow from 8:30 to 9 a.m. and 3:30 to 4:30 p.m. in Capri's cafeteria for $1.50, adults, $1, grades 4 to 8 and 75-cents, children.



IN ACTION--Pounding the ball over the net is West Valley College tennisman Dan Horgan. The racquetman teamed with Charles Shanles in this one for a doubles win over their Solano foes. Earlier Horgan won in singles play as West Valley shut out the Falcons 9-0.

You'll find the help here always friendly and accommodating and they will give you ample opportunity to browse through the merchandise without any high pressure sales.

They carry a complete line of camping merchandise, jackets for hunters and fishermen, as well as a good selection of work clothes and boots and also the finest rain and cold weather gear available.

The compilers of this 1972 Town and Country Review make note that no Review would be complete without mention of this friendly store that has the reputation for serving their customers better.

Campbell Plastering Co., Inc.

ROBERT P. MOYER–OWNER

Many fine homes within a wide radius of this area have had their plastering done by the Campbell Plastering Co. Inc., located at 1566 Hack Avenue in Campbell, phone 378-3772. They have gained a reputation second to none and afford their clients the very best in plastering and stucco work.

The owner has a background of many years experience and is a craftsman of unusual skill and ability. Only the best of materials are used on all jobs contracted for and the work, when completed, is truly perfect.

Regardless of whether you are remodeling or building a new structure, this is the firm to see for all plastering work. You will find them just as reliable on a small job as on a large one. They do the same expert work and will stand behind their workmen to assure your satisfaction.

The compilers of this 1972 Review are pleased to endorse the professional policies of this contractor to our readers.

Campbell Drugs & Pharmacy

HAL SOFRIS–OWNER

The brightest spot on any street is the drug store and if we would only stop to think how much it means to us in our daily life we would appreciate it much more.

The CAMPBELL DRUGS & PHARMACY, located at 1739 Winchester Boulevard between Hamilton and Latimer in Campbell, phone 378-5777, always have an air of cheery welcome that makes everyone happy to visit this establishment.

They are specialists in filling prescriptions, all work being in charge of a Doctor of Pharmacy.

They carry a complete stock of drugs, sundries and toilet articles, the best in cosmetics and shaving accessories – in fact, this store has one of the most complete stocks in this section. This modern drug store assures you with the most courteous attention. All this excellent service is the reason for the success of the CAMPBELL DRUGS & PHARMACY.

The compilers of this 1972 Review recommend that you make this well known firm your prescription headquarters.

FINISH LINE -- Christine Small, 12, strode yards ahead of her competitors to win the 220 in 26.4. A member of the Integra Girls Track Club, she also won the 100 with a time of 12 flat. The track meet was sponsored by the Cindergals.

STOPWATCH--Young members of the Integra Girls Track Club, Michelle Brigham, 11, Ann Regan, 10, Kathy Haymes, 9 and Holly Abbott, 9, compare times as they gather around a stopwatch at the Age Group sectional track competition held recently at San Jose City College. Kathy won the long jump with a leap of 11 feet 4½ inches, and made the finals in the 100 and the 220 run while Holly made finals in the 50 yard dash. Michelle won second place in the 50, and third in the 100. Ann, Michelle, Karen Kiely, and Lisa Wright took third place in the 440 relay for the Integra Track Team.

DARTING AROUND

with Tom Carroll

The Scarlet La Rue's dart team of Los Gatos defeated the Mayflower Inn I from San Rafael to take the Northern California Darts Assn. Championship. The match was called when the La Rue's won their seventh game of the 12 game match. The final score was 7-3.

Some time back we talked about the value of winning the team games. The La Rue's won both of theirs and had a season record of 27 wins to 3 loses in the team games.

The first team game for the championship saw Jim Macredes start with a 92-away. Phil Albers and Gary Curtaz both shot tons (100's). When it was all over, the Mayflower still had over 200 points on the board.

The first singles game pitted singles champion Stan Brassey (Mayflower Captain) against Jim Macredes, the junior member of our doubles championship pair. Stan had that old nemesis of dart players, double trouble, but Jim didn't wait. He polished Stan off in 10 darts. Starting with a 112-away, he followed that with a ton and a 57 leaving 32 or the double 16. This he hit with the next dart.

Gary Curtaz and Kip Fanjoy took their matches but Ben Macredes and Phil Albers dropped theirs. La Rue was ahead 4-2 at the halfway point.

SECOND HALF

In the second team game Jim popped another ton and Elmo (Phil Albers) backed him with a 120. Jim lost the only other game the La Rue's dropped. Gary and Phil each picked up their games for the seven wins. Gary took his in 20 darts and Phil won in 15. Phil's opponent, Paul Selmin, shot a consistent game, a 60-away, followed by a 65 and two 60's.

At this point the champagne corks popped and the winners took a shower in the liquid bubbly. Our hosts the Primrose Lanes in Burlingame set out a fine feed. After much celebration the party moved down the peninsula to the Scarlet La Rue where the Falstaff Cup now resides.

4H CLUB activities

RABBITS FOR EASTER!

Buena Suerte 4-H will offer purebred and mixed breed rabbits for sale on Saturday, April 1 at 166 Redding Road between Bascom and Whiteoaks.

The 4-H group has been raising rabbits for several months and many of the stock offered for sale are progeny of winners of the 4-H Rabbit Show held at the fairgrounds last fall. Among these are a Grand Champion, Champagne D'artent. Others include New Zealand Whites, White Satin, Rex and Californians.

Mixed breed bunnies, six weeks and up, will be priced from $2. Purebred stock, complete with papers, will be offered at higher prices.

Working with Buena Suerte on the project will be the Los Gatos 4-H. Mrs. Arlene Whitty is chairman. For additional information, call 377-6159.

CAPITOL TOUR

Over 100 sixth graders from Baker Elementary School, recently spent a day in Sacramento touring the capitol and Fort Sutter.

The PTA-sponsored trip was capped by an interview with a legislator from this district.

MEMBER THE ORDER OF THE GOLDEN RULE

Planning wisely....doing today what will otherwise have to be done tomorrow ....is the very essence of the pre-arranged funeral service. Our assistance in making pre-arrangements is yours for the asking.

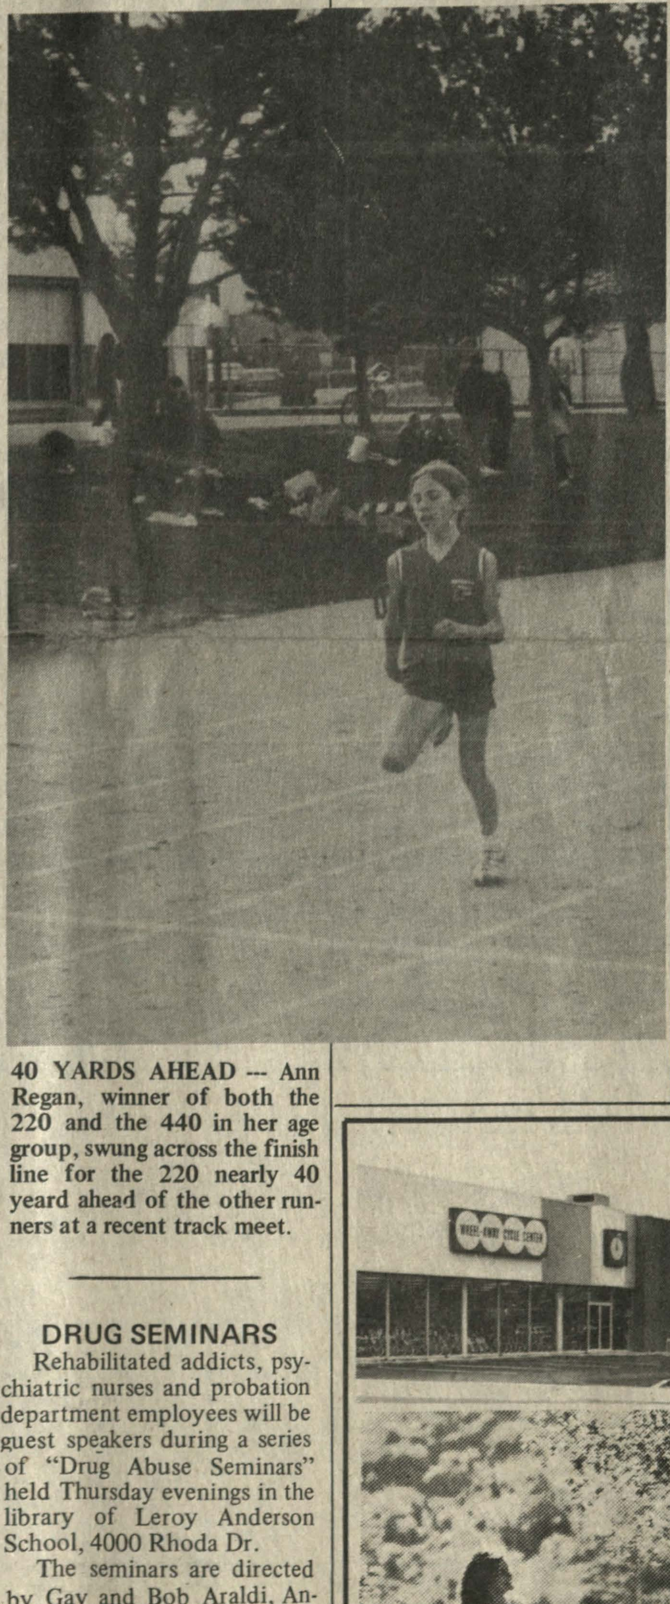
RELAY--Rochelle Frazier, 16, of Silver Creek High and Benita Brown of Campbell High pause with relay sticks in hand during recent track competition. The girls will be among those going to the Spikkettes Relays in Sacramento. Others planning to attend include Cindy Murphy and Sharron Petty, both of Campbell High, Leslie Ellis, Markham Jr. High, and Lisa Snyder, Camden High.
The Integra Girls Track Club coach, Gerald Harrington, is seeking sponsors for the club. For more information phone 378-4105.



40 YARDS AHEAD --- Ann Regan, winner of both the 220 and the 440 in her age group, swung across the finish line for the 220 nearly 40 yeard ahead of the other runners at a recent track meet.

DRUG SEMINARS

Rehabilitated addicts, psychiatric nurses and probation department employees will be guest speakers during a series of "Drug Abuse Seminars" held Thursday evenings in the library of Leroy Anderson School, 4000 Rhoda Dr.

The seminars are directed by Gay and Bob Araldi, Anderson School parents who have experience in similar drug abuse programs.

CAMP FIRE GIRLS

DISTRICT NINE

by Ellie Rumbaugh

The Junior High girls in the Discovery Clubs of District Nine Camp Fire Girls recently took a trip to the snow. Forty girls and their leaders went by chartered bus to Bumble Bee Toboggan Hill for a day of tobogganing and playing in the snow. Many girls had the joy of seeing it snow for the first time. Plans for the trip were made by the Discovery Club Cabinet made up of representatives from each group in the district. The advisor to the cabinet is Miss Dorthey Acton.

Beginning March 14 many of the girls will be involved in a Charm Course directed by the Fisher School of Modeling. The weekly hour and half sessions will run for five weeks.

SIX FIRES

In the period beginning Christmas Eve 1849, to June 22, 1851, San Francisco was leveled six times by fire.
